2010-11 SEASON PREVIEW

2010-11 SEASON OUTLOOK

Chemistry is defined as the *elements of a complex entity and their dynamic interrelation*. The Manhattan men's basketball program defines chemistry as the unification of seven returnees, seven newcomers, and experienced leadership vying for one goal: the MAAC Championship. The 2010-2011 Jaspers squad features many new faces which give the program a fresh look in the 105th season in its storied history.

Head coach **Barry Rohrssen** will return to the helm for his fifth season leading the Kelly Green and White. The Brooklyn-born Rohrssen is the sixth longest tenured coach in the program's illustrious history. Now Rohrssen will be joined by a restructured coaching staff that is prepared to bring prominence back to Riverdale. **Scott Aduato**, a former BIG EAST and NBA assistant, NBA veteran **Scott Padgett**, along with Jasper standout **Jason Wingate '06** join Rohrssen and returning assistant **C.J. Council** on the bench. Manhattan's staff possesses a variety of experience in the collegiate and professional ranks and is prepared to take the Jaspers program to great heights.

"This year's staff has experienced success on many levels as both players and coaches," explained Rohrssen. "Our players have a good level of respect for our staff's accomplishments and have responded well."

On the floor, the Jaspers will rally

behind the leadership of seniors **Andrew Gabriel**, **Nick Walsh** and graduate transfer **Demetrius Jemison** who bring a plethora of experience to the hardwood. The trio will be asked to set the tone and pick up where the Jaspers left off last season playing their best basketball of the year in the MAAC Tournament.

"We have many new faces throughout the program becoming familiar with each other. Developing chemistry will be essential," said Rohrssen. "Good teams have good players, great teams have great teammates. We look for our returning seniors and upperclassmen to provide this team with leadership."

Despite the graduation of six seniors, two 1,000-point scorers and the 2009-2010 MAAC scoring champion, Manhattan has reason to be optimistic entering the new campaign. The Jaspers feature a balanced crop of new and old talent with significant size and agility on the roster that the program has not seen in recent years.

"It is an open field this season in terms of playing time," Rohrssen emphasized. "We will look to see who puts forth the greatest effort and we will build around two intangibles: work ethic and selflessness."

THE BACKCOURT

Guard play will be a key to Manhattan's success in 2010-2011. The Jaspers tallest task at hand may be replacing more than

1,200 points from its top three scorers who anchored the Manhattan backcourt last season. Senior **Nick Walsh** will serve as a veteran presence, while sophomore **George Beamon** and freshman point guard **Michael Alvarado** will be key figures in the Jaspers' backcourt youth movement.

"This season we will look for new people to step up and provide us with some scoring punch," Rohrssen noted.

Walsh, a 5'10" sharp shooter from Riverdale, appeared in 77 games and has buried 47 3-pointers in his first three years at Manhattan. He is a durable option who can serve as a spark off the bench and can erupt for double figures on any given night. He has displayed this ability several times, most notably last season when he exploded for a career-high 16 points against William & Mary. Walsh will be counted on this year to serve as one of the Jaspers' biggest threats beyond the arc. He has notched 13 multi 3-point performances over his career.

"Leadership is at a premium in any program," explained Rohrssen. "The more seniors you have, guys who have experience, are the ones who have been battle tested, and those guys really help you and we are lucky to have Nick in the backcourt."

Beamon is a swingman from Roslyn, N.Y. who brings endless energy to the court. He is a pure offensive threat who

can be one of the Jaspers top scoring options. After getting acclimated to the Division I game last season, Beamon earned an increased role toward the end of the year playing 11.4 minutes per game over his last 10 appearances. He posted a career-high 13 points on two occasions. Beamon was the Jaspers most consistent shooter last season, logging a 44.8% field goal mark. The high-flying combo guard came to Manhattan from Roslyn High School where as a senior he led all of Long Island in scoring, averaging 34.2 points per game. He logged eight 40-point games and poured in a school record 56 points.

“George plays with a lot of energy and passion,” explained Rohrssen. “It would be good to see him expand his role from last season to this one.”

Alvarado will take on the most important role on the court, serving as the Jaspers’ floor general. The 6’2” point guard from Bronx was a 2010 First Team All-CHSAA and 2010 Third Team All New York State Class AA honoree at All

Hallows High School. Alvarado brings great floor vision and ball distribution to Riverdale. The mark of a true point guard, he has a pass first mentality, but knows how to finish as well. He was named one of 10 players in New York City to be selected for the 2010 Jordan Brand Classic Regional Team.

“Mike committed to us before he played his first game as a junior in high school. He has wanted this opportunity for quite awhile and now it is here,” Rohrssen stated.

Sophomore guard **Mohamed Koita** is one of the most athletic players in the MAAC. He brings a smooth yet explosive offensive game to the hardwood and plays strong defense on both ends of the floor. The native of Cergy, France made his first of 10 appearances midway through the 2009-2010 campaign. He averaged 3.9 points, 3.0 rebounds and 17.5 minutes per game. The former track star is a double-double threat who plays above the rim. Koita is also a good shooter whose range extends beyond the arc.

“Mohamed has shown flashes of excellent play. He is rehabbing diligently to overcome two injuries so he can return to the court this season,” Rohrssen said.

The Jaspers have added to their arsenal with double guns from downtown in newcomers **Kidani Brutus** and **Torgrim Sommerfeldt**. Brutus, a native of the Bronx, is a junior transfer from Carl Albert State College in Poteau, Okla. The 6’1”, 220 pound shooting guard averaged 8.7 points, 3.2 rebounds, 2.6 assists and shot 41.7% from the field over 27 appearances last season. Brutus played high school ball locally at Wings Academy where he received All-Bronx honors after posting 15.9 points, 5.4 rebounds and 1.6 assists per game as a senior. Brutus adds depth to the Jaspers line up at the point guard position.

“Kidani and Torgrim have shown an ability to shoot the ball well. We would like for Kidani to be able to serve the club in different roles in the backcourt this year. Torgrim’s size can be a valuable asset to this team,” said Rohrssen.

Sommerfeldt is a rangy shooter from Drammen, Norway who gained significant interest from Division I programs after the 2008 Nike Hoop Summit where he played for the World Team as one of the top under-20 prospects. Sommerfeldt comes to Riverdale from NTG Academy in Oslo, Norway. He was also a member of Norway’s National Team with experience playing on the under-16, under-18 and under-20 squads.

Junior **Liam McCabe-Moran** adds depth to the Jaspers backcourt. The 2010 MAAC Academic Honor Roll representative appeared in five games off the bench last season. McCabe-Moran transferred to Manhattan from Harcum College where he played in 20 games averaging 2.8 points, 2.1 rebounds and 1.1 assists per contests. The two-time All New York State selection who set a school record scoring over 1,400-points at nearby Rye High School was a member of the Hudson Valley Team which earned a silver medal at the 2010 Empire State Games.

“Liam is a good shooter and works hard each day in practice,” noted Rohrssen.

THE FRONT COURT

The Jaspers display their most size up front in recent years. With a talented mix of length, strength and finesse Manhattan will be a force to be reckoned with down low. The Manhattan front court will be powered by senior **Andrew Gabriel**, along with newcomers **Demetrius Jemison**, **Robert Martina**, **Roberto Colonette** and **Rhamel Brown**.

Gabriel is a crafty inside player who has

started 65 of 92 appearances in his first three years in Riverdale. The 6'6" power forward who hails from Brooklyn has averaged 5.2 points and 4.2 rebounds during his career. Gabriel is a double-double threat who is creative around the hoop and an agile shot blocker. He returns as the Jaspers top scorer and rebounder from a year ago when he averaged nearly five points and four rebounds per contest.

"Andrew is one of our top defenders who can guard multiple positions," explained Rohrssen. "With the right level of energy and a consistent level of performance, we would like to see Andrew contribute significantly."

Jemison, a graduate transfer from Alabama, is also expected to bring veteran leadership to the hardwood. The 6'8", 240 pound native of Birmingham, Ala. will bolster the Jaspers front court with his raw strength, speed and inside skills. Jemison played his first three seasons for the Crimson Tide, before sitting out last year due to injury. With 93 games under his belt playing for the Southeastern Conference power, Jemison is expected to have an immediate impact on the Jaspers program. Jemison's most successful year at Alabama came as a sophomore when he started 32 of 33 games and averaged 5.6 points and 5.3 rebounds.

"Demetrius has played at a very high level of collegiate basketball. We look for him to bring that experience to our ball club as he begins to write this new chapter of his career," said Rohrssen.

Manhattan also welcomes silky smooth junior forward Martina who joins the Jaspers squad after playing two years at Miami Dade College. Martina is a 6'8", 215 pound big man whose size and agility gives Manhattan flexibility in the lineup. The product of Pompano Beach, Fla. was a Second Team All Southern Conference honoree last season at Miami Dade where he averaged 5.0 points, shot 41% and logged a 78.9% mark from the free-throw line.

"Rob is a long, athletic player who can run the floor, finish at the rim and shoot the ball," stated Rohrssen.

Colonette is another experienced newcomer whose 6'7", 200 pound frame can create match up problems. The Queens native is the reigning Junior College Region XV Division I Player of the Year from ASA Institute. A 2010 Junior College All American Honorable Mention, Colonette averaged 12.5 points, 8.7 rebounds and 2.0 blocks per game for the Avengers last season. Colonette was a standout at Robert F. Kennedy High School where he averaged over 20 points and 20 rebounds in his final two seasons

at the PSAL Class B program.

"Roberto is a crafty player with good fundamentals," said Rohrssen. "He has shown an ability to score the ball from both inside and out."

Brown is expected to be a mainstay in the Jaspers' front line for years to come. The 6'6", 215 pound product from Transit Tech High School in Brooklyn was a 2010 First Team All-PSAL honoree after finishing 11th in scoring in Brooklyn AA as a senior with 13.2 points per game. Brown is a raw talent who possesses the ability to dominate the glass on any given night.

"Rhamel is an energizing type player who has good instincts on the boards and a knack for blocking shots," said Rohrssen.

Sophomore center **Kevin Laue** looks to build on his first season with the program where he appeared in 19 games. The 6'11" product from Pleasanton, Calif., uses his great size to clog the lane and disrupt opposing offenses. Laue showed glimpses of his rebounding and shot blocking ability with a career-high eight boards and two blocks over 17 minutes of action at Vanderbilt.

"We would like to see Kevin continue to develop and become a defensive presence," stated Rohrssen. "He is one of our hardest workers and possesses a tremendous attitude."

The Jaspers also have junior center Djibril Coulibaly as an option down low. The 6'9" shot blocker from Mali has a long athletic frame. He can run the floor, but has battled injuries throughout his career.

"With Djibril's size and length we would like to see him make a contribution to this year's team," said Rohrssen.

SCHEDULE

The Jaspers schedule features a 30-game lineup with 13 home contests at Draddy Gymnasium. Manhattan will appear on television at least five times, including national broadcasts on the ESPN family of networks at the Old Spice Classic over Thanksgiving weekend. All non-televised home contests will be broadcast live and on-demand exclusively at GoJaspers.com.

The Jaspers open the campaign on Nov. 13 at NJIT, before returning to Riverdale for a pair of non-conference contests with Penn (Nov. 17) and Long Island (Nov. 20). As part of the eight team Old Spice Classic field in Orlando, at least two of the Jaspers three games at the ESPN Wide World of Sports Complex will be televised nationally. Manhattan plays Wisconsin on ESPN2 Thanksgiving Day, and then will meet either Boston College or Texas A&M.

Manhattan returns from the Sunshine State to enjoy its next five games in the metropolitan area. After hosting Rider (Dec. 2) for its MAAC opener, Manhattan travels to Saint Peter's two days later. The 103rd "Battle of the Bronx" is set for Dec. 8 when the Jaspers travel to Fordham. Manhattan plays host to Binghamton (Dec. 11) and Hofstra (Dec. 18) on consecutive Saturdays in Riverdale.

The Jaspers are on the road for the last two games before the New Year. Manhattan travels to Ohio for a meeting with Bowling Green (Dec. 22) and visits Boca Raton, Fla. to play Florida Atlantic (Dec. 30).

Manhattan plays at Rider on Jan. 3, before returning to Riverdale for its longest homestand of the season, playing four consecutive games against Loyola (Jan. 7), Marist (Jan. 9), Canisius (Jan. 15) and Niagara (Jan. 17). The Jaspers travel to Baltimore on Jan. 20 to finish their home-and-home with Loyola, but are quick to come back home to play Saint Peter's (Jan. 23).

Saving their toughest conference slate for the final month of the regular season, the Jaspers will face Fairfield, Siena and Iona twice over a 20-day duration. Manhattan gets three straight games at home over seven days with the Stags (Feb. 11), Saints (Feb. 13) and Gaels (Feb. 16), before traveling to its ESPN Bracketbuster destination on Feb. 19.

Manhattan has one final tune up before the MAAC Tournament when it wraps up the regular-season in Western New York at Canisius (Feb. 25) and Niagara (Feb. 27).

The 2010 MAAC Basketball Championships return to the Arena at Harbor Yard in Bridgeport, Conn. after a four year hiatus. The tournament will run from March 4-7.

COACHES & STAFF

BARRY ROHRSSSEN

HEAD COACH | FIFTH SEASON | ST. FRANCIS (NY) '83

HEAD COACH

Barry Rohrssen enters his fifth season at the helm of Manhattan College's basketball program. Since his arrival in Riverdale, Rohrssen has rejuvenated the Jaspers through strong local recruiting, while also experiencing success in the classroom. In his tenure, Rohrssen has mentored six All-MAAC selections, six MAAC Players of the Week, and last spring he graduated all six members of his first recruiting class.

With 52 victories under his belt in Riverdale, including two in the postseason, Rohrssen ranks eighth on the career wins list in the program's 105 year storied history. Rohrssen is also tied for third all-time with 28 victories on the Jaspers home court in Draddy Gymnasium. He has mentored four 1,000-point scorers, all of whom finished in the top-20 of the Jaspers' scoring chart.

Rohrssen was named Manhattan's 22nd head men's basketball coach on April 25, 2006. He arrived back in his native New York after spending the previous seven seasons as an assistant coach at the University of Pittsburgh. Rohrssen began his

coaching stint at Pitt behind the leadership of two-time National Coach of the Year Ben Howland, and spent his last three seasons as associate head coach under 2009 Naismith Coach of the Year Jamie Dixon.

In his first year at Manhattan, Rohrssen guided the Jaspers to 10 MAAC wins, the second most for a Manhattan head coach in his inaugural season. In 2007-08, Manhattan earned its first MAAC Tournament victory during the Rohrssen era, behind a team whose underclassmen combined for over 80% of the Jaspers' scoring offense. The Jaspers earned their second postseason win behind Rohrssen's leadership in 2009-2010 with the program's highest scoring output in a postseason game (94) in over 15 years. Rohrssen also mentored the 2010 MAAC scoring champion.

Rohrssen's most successful campaign was during the 2008-09 season when he guided Manhattan to a fourth place MAAC finish and a 16-14 overall record, which included victories over two NCAA Tournament participants. The Jaspers tallied nine

wins at Draddy Gymnasium, the most since 2005-06.

At Pitt, the Brooklyn native played a vital role in the Panthers' rise to national prominence. The Panthers won three BIG EAST Regular Season titles and one BIG EAST Tournament Championship over the course of Rohrssen's final five years in the Steel City.

Many of Rohrssen's New York City recruits became the foundation for the Panthers' success. He played a large role in the signings of area prep stars Levance Fields (Xaverian), Tyrell Biggs (Don Bosco Prep, N.J.), Ronald Ramon (All Hallows), Keith Benjamin (Mt. Vernon), Chris Taft (Xaverian/Golden State Warriors), Carl Krauser (Notre Dame Academy), and Mark McCarroll (Christ the King). Dick "Hoops" Weiss of the New York Daily News placed Rohrssen at the top of his list of coaches who were making the biggest recruiting impact in the City in a July 2004 article.

Over the course of his final five seasons at Pitt, Rohrssen was part of five 20-plus win seasons and five NCAA appearances. The Panthers

posted an overall record of 133-33 (80.1%) during that span, placing among the nation's top-five winning percentages. The team was also nearly unbeatable at home during Rohrssen's final four seasons with the Panthers, posting a 64-6 record at the Petersen Events Center (91.4%).

In addition to his renowned recruiting skills, Rohrssen helped develop some of the top talent in the BIG EAST. A Panther received the BIG EAST Most Improved Player Award four times during his tenure, most recently New Orleans Hornets center Aaron Gray following the 2005-06 season. Rohrssen also mentored 2004 BIG EAST Rookie of the Year and future NBA player Chris Taft.

Prior to his time at Pitt, Rohrssen spent four seasons (1995-99) at the University of Nevada-Las Vegas as the school's director of basketball operations on Head Coach Bill Bayno's staff. While at UNLV, the program captured the 1998 Western Athletic Conference Tournament championship. The Rebels advanced to postseason play in three of his four years.

Prior to his stint at UNLV, Rohrssen served as assistant coach at his alma mater, St. Francis (N.Y.) College, from 1993-95 under Head Coach Ron Ganulin.

Rohrssen also has extensive international basketball coaching experience. In 1991 and 1992, he represented the United States at the World Invitational Championships in Warsaw, Poland and London, England, respectively. He co-coached an American All-Star team in 1998 that finished 5-0 in Tahiti.

During the summer of 2000, Rohrssen served as assistant coach with a United States Junior Team that competed at an international tournament in Leon, Spain. Later that summer, he helped lead the New York City squad to a gold medal at the 2000 Empire State Games.

Rohrssen has supported several charitable efforts, including the V Foundation for cancer research. During the summers of 2008 and 2009 he traveled to the Persian Gulf Region with a select group of NCAA basketball coaches to visit American troops as part of a goodwill

program sponsored by the United States Organizations (USO) and Armed Forces Entertainment (AFE). In 2008 he participated in "Operation Hardwood V" and in 2009 he took part in "Operation Hoop Talk". Both tours began with visits in the nation's capital to meet with wounded soldiers at Bethesda Naval Hospital and Walter Reed Army Medical Center.

Rohrssen has implemented high academic standards for his program. During his tenure, each member of his senior classes has graduated, and several of his current student-athletes

are ahead of schedule to earn their degrees.

Rohrssen played as an undergraduate at St. Francis (N.Y.) from 1981-83, graduating with a bachelor of science degree in business management in 1983. He also played in the Catholic High School Athletic Association at Xaverian High School in Brooklyn and is a member of the school's Distinguished Alumni Hall of Fame.

OPERATION HARDWOOD & OPERATION HOOP TALK

Barry Rohrssen made the longest trips of his coaching career when he traveled to the Persian Gulf region with a select group of Division I coaches as part of goodwill missions sponsored by the United States Organizations (USO) and Armed Forces Entertainment (AFE).

To begin both tours, "Operation Hardwood V" (2008) and "Operation Hoop Talk" (2009), the team of coaches made visits to military hospitals in the nation's capital to boost the spirits of our wounded warriors, before traveling halfway around the world to bring a taste of home to American military personnel stationed abroad. The group assembled in Washington, D.C. and visited Walter Reed Army Medical Center and the National Naval Medical Center, before boarding flights to the Persian Gulf to continue their mission.

Rohrssen was a member of the 2008 "Operation Hardwood V" Tour which traveled to several military bases in Kuwait and Iraq. Along the journey, Rohrssen and his coaching comrades utilized the game of basketball to bring some normalcy to thousands of American troops. The tour featured a sponsored basketball tournament where Rohrssen coached a team of sergeant majors named Defend and Serve.

As a member of "Operation Hoop Talk" in 2009, Rohrssen and his colleagues spent the majority of the tour visiting military bases throughout Afghanistan. During their time abroad, the coaches enjoyed the company of soldiers, talked hoops and held basketball clinics which provided the troops and outlet to their daily jobs.

SCOTT ADUBATO

ASSISTANT COACH | FIRST SEASON

ADUBATO

Scott Aduabato enters his first season with the Manhattan men's basketball program. Aduabato brings a plethora of experience to Riverdale, which includes coaching stints at both the collegiate and professional ranks.

Aduabato most recently served from 2007-2010 as an assistant coach at Seton Hall University. For the first time in the last 15 years, Aduabato helped the Pirates post winning records in three consecutive seasons. In his final year in South Orange, the Pirates finished with their best overall record (18-12) in over five years and recorded their most wins in the BIG EAST since the 2005-06 campaign, which earned Seton Hall an at-large bid to the 2010 National Invitation Tournament.

Prior to Seton Hall, Aduabato spent seven years with the Memphis Grizzlies organization of the National Basketball Association. He served as an assistant on head coach Mike Fratello's staff during his final two years (2005-2007) in Memphis, after working the previous five seasons as a scout.

Aduabato's collegiate and professional coaching experience also includes stints as an assistant coach in the United States Basketball League (1999-2000), the International Basketball League (1999), Georgia State University (1997-99), East Carolina

(1995-96), Collin County Community College (1993-95), the University of Nevada-Las Vegas (1993-94) and Old Dominion University (1990-91). In 1992, he worked as an assistant coach with the Continental Basketball Association's Southern Division Champion Oklahoma City Calvary and served as the head coach of the Tampa Bay Sunblasters of the USBL from 1990-91.

Aduabato was an advance scout for the Dallas Mavericks, Orlando Magic and New York Liberty, working with his father, head coach Richie Aduabato. He also was a college scout for the Los Angeles Clippers.

His professional playing career started in 1987 when he was selected in the 7th Round of the NBA Draft by the Sacramento Kings. Aduabato later played and coached professionally in Italy.

Aduabato began his collegiate career on a full-scholarship at the C.W. SON IN REVIEW

2009-10 SEASON IN REVIEW

In the 104th season of the historic Manhattan men's basketball program, the Jaspers reached several milestones and recorded several keynote victories during the 2009-10 campaign. Junior **Rico Pickett** led the MAAC in scoring averaging 17.7 points per game and was named to the All-Conference Third Team. Seniors **Darryl Crawford** and **Antoine Pearson** each joined the program's illustrious 1,000-Point Club becoming the first teammates to achieve this in the same season since 1991-92 when Keith Bullock '93 (1,992 points) and Russ Williams '92 (1,140 points) reached the milestone. Crawford completed his career in Riverdale ranked eighth in scoring (1,431 points) and Pearson finished 24th all-time (1,123 points). Classmate **Patrick Bouli** also engraved his name in the Manhattan record book completing his career tied for sixth all-time with 147 steals. Crawford (#8, 140) and Pearson (#10, 132) joined Bouli atop the steals list becoming the only classmates to all rank in the top-10 of this category.

Crawford, one of the Jaspers most consistent players, finished ninth in the league averaging 14.8 points per game, 12th with a team-high 6.3 rebounds per game and led the Jaspers with 2.2 assists per game. Pickett (6th, 44.0%) and Crawford (8th, 41.3%) ranked among the best shooters in the conference completing the campaign in the top-10 in field goal percentage.

Manhattan saved its best performance of the year for the 2010 MAAC Championships as the Jaspers cruised to a 94-79 victory over Loyola at the Times Union Center in Albany, N.Y. Pickett led the way with a career-high 33 points and Crawford delivered his third double-double (16 points, 10 rebounds) of the season, all of which came against the Greyhounds,

en route to the second MAAC Tournament win under head coach **Barry Rohrssen**. The Jaspers would come up short the next night in the MAAC Quarterfinals falling to three-time defending champion Siena which brought the season to a close.

In his fourth year at the helm, Rohrssen became just the eighth coach in the program's storied history to reach the 50-win plateau. He completed the year just four wins behind former Jaspers' head

coach Steve Lappas (56) who enjoyed a successful four year career in Riverdale.

The Jaspers got off to a strong start to the season winning five of their first eight games knocking off NJIT, Florida Atlantic, American, Canisius and cross-Bronx rival Fordham. In one of Manhattan's top performances of the season, the Jaspers rolled to its third straight victory over the Rams in the 102nd "Battle of the Bronx" with a 68-44 triumph at Draddy Gymnasium. Pearson, a product of the Bronx, led the Jaspers with 16 points on 6-for-8 shooting and earned the John "Doc" Johnson Most Valuable Player Award.

In January, Manhattan played its best basketball in the Jaspers' home victory against Saint Peter's. Manhattan used buzzer beaters by Pearson to defeat the Peacocks in their previous two meetings in Riverdale, but this time the Jaspers did not need such heroics. Pickett scored a game-high 19 points and senior forward **Brandon Adams** posted 15 points and eight rebounds as the Jaspers coasted to a 76-53 win. As a team, Manhattan shot 60% (30-50) from the field marking the program's best shooting display since going 62.7% (32-51) on Nov. 27, 2004 in a 76-60 rout of Fordham.

Manhattan enjoyed a nationally televised win over Marist in February on ESPN before traveling to New Rochelle,

N.Y. one week later to snap Iona's seven game win streak at the Hynes Athletic Center. The Jaspers picked up momentum down the stretch with an ESPN BracketBuster victory over Colonial Athletic Association member Towson defeating the Tigers 78-62 behind Adams's career-high 18 points going along with eight rebounds. The product of Yonkers, N.Y., completed his career donning the green and white on a high note averaging 11.2 points and 6.8 rebounds over the final five games of the season. Adams best performance of the year came on Senior Day versus Niagara when he delivered the third double-double (15 points, 10 rebounds, 75% FG) of his collegiate career. That same night, the Jaspers also honored walk-on guard Victor Jackson for his hard work and dedication lettering all four years with the program.

Jaspers' freshmen **George Beamon**, **Mohamed Koita** and **Kevin Laue** showed glimpses of a bright future for the Manhattan basketball program. Beamon, a 6'4" guard from Roslyn, N.Y., appeared in 22 games and showed his uncanny scoring ability, most notably when he posted a career-high 13 points in Manhattan's MAAC Tournament win over Loyola. Koita, a former track star from Cergy, France, joined the program mid-season, making four starts in 10 appearances. In his debut, he grabbed eight rebounds against Iona and then almost three weeks later he scored a career-high 10 points in a win over the Gaels. Laue, a 6'11 center from Pleasanton, Calif., appeared in 19 games. He delivered his top performance of the season at Vanderbilt when he grabbed a career-high eight rebounds against the SEC power.

GAME 5 • MANHATTAN 69, AMERICAN 62
NOV. 25, 2009 • BENDER ARENA, WASHINGTON, D.C.

Jaspers' senior Darryl Crawford led Manhattan with a season-high 26 points and six rebounds to earn a 69-62 victory over American at Bender Arena. Rico Pickett helped generate a second half charge scoring 11 of his 13 points in the period as Manhattan picked up its second straight victory. Senior guard Antoine Pearson also gave the Jaspers solid production in the backcourt dishing out a career-high seven assists to go along with his 12 points and six rebounds. Manhattan got defensive on the Eagles forcing 23 turnovers, which were turned into 29 points. Pearson tied a career-high with five steals, while Crawford and Brandon Adams swiped three apiece. Manhattan had 16 steals as a team. The Jaspers' defense began clicking immediately to help the team roll out to a 14-1 lead five minutes into the game. The initial scoring surge featured a pair of 3-pointers by Patrick Bouli. American missed its first eight shot attempts and turned the ball over six times before getting its first field goal of the game from freshman Mike Bersch at the 13:06 mark. The Eagles eventually found their shooting stroke to finish the first half strong. American hit 12 of its next 16 field goal attempts (75%) and used a 12-2 run to pull within three points (16-13) at 8:26. Manhattan got some big buckets from Crawford and Pearson to rebuild a 25-18 advantage, but American had one last rally in the tank. It closed the half with an 11-2 run featuring back-to-back 3-pointers Bersch and freshman guard Daniel Munoz. The Eagles took a 29-27 lead into the break. Bersch led the way with 13 points, including three 3-pointers. He had 16 points in the game. Manhattan burst out of intermission making a 13-3 run to regain the advantage it would hold the rest of the way. Adams capped the surge with a midrange jumper giving Manhattan a 40-32 advantage at 13:11. Pickett's jumpers started falling midway through the second half as they helped silence American's comeback bids. The Eagles got its deficit down to just four points with less than nine minutes remaining, but the next time down court Pickett called for the ball transition and buried a 3-pointer to extend the Jaspers lead to 51-44 at 8:45. Manhattan led by as many as 11 points in the second half on Crawford's breakaway jam with 52 seconds remaining (65-54). It was the 10th time in Crawford's career that he delivered a 20-point performance. He shot 9-for-17 and converted 7-of-11 free-throws. The Jaspers shot 46.7% (14-30) in the second half after struggling in the first half going 33.3% (11-33) from the field. Manhattan got 17 points in transition and 28 in the paint.

GAME 6 • MANHATTAN 68, FORDHAM 44
NOV. 28, 2009 • DRADY GYMNASIUM, RIVERDALE, N.Y.

The Jaspers were clicking on all cylinders in the 102nd "Battle of the Bronx" as Manhattan rolled to its third straight victory defeating Fordham, 68-44, before a sell out crowd at Draddy Gymnasium. Jaspers' guard Antoine Pearson led the way with 16 points on 6-for-8 shooting to make his claim for the John "Doc" Johnson Most Valuable Player Award. Teammate Darryl Crawford contributed 15 points and nine rebounds to the effort, while Rico Pickett led the Manhattan bench with 14 points. Crawford got the Jaspers going by opening the contest with a 3-point play which sparked an 11-2 run. Fordham started the game shooting 1-for-10 from the field in the first six minutes. The Jaspers then burst out to a double-digit advantage courtesy of a 17-4 run spanning for nearly seven minutes. The scoring surge was capped by a Crawford's jumper at 5:22 to go ahead 28-10. Pearson sent the Jaspers into intermission with a dazzling 40-foot 3-pointer at the buzzer to give Manhattan a 39-18 lead at the break. Manhattan shot a solid 57.1% (16-28) from the floor in the first half. Pickett led the Jaspers at halftime with 10 points on 4-for-7 shooting. **GAME 7 • NIAGARA 88, MANHATTAN 64
DEC. 4, 2009 • TAPS GALLAGHER CENTER, NIAGARA UNIV, N.Y.**

Manhattan had a three game win streak snapped falling 88-64 to Niagara at the Taps Gallagher Center in its conference opener. Senior guard Antoine Pearson led the Jaspers with 17 points and added four rebounds. Darryl Crawford (15), Andrew Gabriel (13) and Rico Pickett (13) also scored in double-figures. Purple Eagles' senior Bilal Benn overwhelmed Manhattan with a double-double (22 points, 13 rebounds). The Jaspers battled hard in the first half keeping it a two possession ball game for the majority of the period. Manhattan grabbed a 9-8 lead at the 14:07 mark when Pickett buried his first bucket of the contest, a fade away jumper off the dribble. Pickett led Manhattan with seven rebounds. Niagara responded quickly rallying for seven unanswered points to take a 15-10. The surge featured the first of four 3-pointers from Purple Eagles' forward Demetrius Williamson. Williamson finished with 15 points coming off the bench. Manhattan showed some fight using defensive stops to create back-to-back buckets from Pickett and Gabriel to even the contest at 16-16 with 9:53 remaining in the half. Niagara converted 13-of-15 free-throw attempts in the first half and took a 37-30 advantage into intermission. The Jaspers came out of the break with energy and cut their deficit to four points on two occasions in the first five minutes, but could not get any closer than that. Benn exploded for 14 points in the second half and Williamson added 10 helping Niagara to pull away. Niagara won the battle of the boards (44-34) and got a good inside presence from Kashief Edwards who recorded 14 points on 5-for-6 shooting. The Purple Eagles were 26-for-33 from the free-throw line to Manhattan's 15-for-28 shooting effort from the charity stripe. Gabriel gave the Jaspers solid production up front on both ends of the court. He posted five rebounds and made two steals to go along with his scoring effort (13). Gabriel shot 6-for-8 from the field.

**GAME 8 • MANHATTAN 71, CANISIUS 57
DEC. 6, 2009 • KOESSLER ATHLETIC CENTER, BUFFALO, N.Y.**

Jaspers guard Rico Pickett led the charge with 21 points and Darryl Crawford scored 17 second half points as the Manhattan men's basketball team rolled to a 71-57 victory at Canisius. Junior forward Andrew Gabriel added 13 points and five rebounds in Manhattan's fifth straight win over the Golden Griffis. Manhattan delivered a good shooting performance going 50.8% (31-61) from the field. Pickett shot 9-for-16. Crawford also sank nine field goals and shot 8-for-13 in the second half to finish with 19 points. Crawford led the team with five assists and six rebounds off the bench in his return to the Koessler Athletic Center after scoring the game winning bucket with five seconds remaining to give the Jaspers a 59-57 victory last season. Nick Walsh powered the Jaspers out to an 8-2 advantage after knocking down his first two buckets in the opening minutes. Canisius pulled within 10-8 at the 14:23 mark, but Jaspers' guard Antoine Pearson helped generate another scoring surge. He began with an acrobatic lay-up as part of a three point play, and then he buried a 3-pointer the next time down court. Adams capped the 8-0 run with a midrange jumper giving Manhattan a 20-10 advantage and some breathing room. Pickett also found his shooting touch and scored the final eight points of the first half as the Jaspers took a 32-23 lead into the break. Manhattan used an 18-9 run to create separation from the Golden Griffis. The surge featured Pickett's emphatic two handed jam in transition. Manhattan led by as many as 13 points in the opening stanza. The pesky Jasper defense forced 12 turnovers and made five steals in the first half. It also held Canisius to a dismal 28.6% (8-28) shooting from the field and 1-for-10 from 3-point territory. Crawford got off to a hot start in the second half which helped the Jaspers pull away quickly. He managed to penetrate the lane and score at will, while also creating opportunities off the dribble for his teammates. Manhattan rallied off a 16-6 run to start the second half and led by double figures the rest of the way. The Jaspers limited Canisius to just two field goals in the first 10 minutes of the final period. Manhattan captured its largest lead (19) of the contest on Pickett's second 3-pointer of the game with 3:02 remaining to take a 65-46 advantage. The junior from Alabama added two rebounds in 36 minutes of action. The Jaspers also received contributions from seniors Pearson (7 points, 4 rebounds) and Brandon Adams (6 points, 5 rebounds, 2 steals) in Manhattan's fourth win in five games. Canisius was led in scoring by guards Julius Coles (15) and Frank Turner (13). Golden Griffis junior forward Tomas Vazquez-Simmons posted 10 points and eight rebounds off the bench.

GAME 9 • HOFSTRA 44, MANHATTAN 39
DEC. 9, 2009 • MACK SPORTS COMPLEX, HEMPSTEAD, N.Y.

The Manhattan men's basketball team struggled shooting the ball at Hofstra falling 44-39 in the Mack Sports Complex. Jasper guards Patrick Bouli and Rico Pickett each scored 10 points in the second loss to a Colonial Athletic Association member. Pride forward Hall Kanacevic posted a double-double finishing with game-highs 11 points and 10 rebounds. Manhattan scored the first five points of the game, but then suffered from a scoring drought which it could not shake off for 11 minutes. While the Jaspers struggled, Hofstra rallied for 19 unanswered points to take its largest advantage (14) of the game with 8:14 to go in the half. The Jaspers were fortunate for Hofstra's 12 turnovers in the first half to keep the game close at the break. Manhattan strung together four field goals in the final 2:30, with the last two buckets coming from Antoine Pearson, to pull within 23-18 at intermission. Manhattan shot 6-for-30 (20%) from the field in the first 20 minutes of action. It was the Jaspers lowest shooting performance in a half since Jan. 24, 2009 at Madison Square Garden when they shot 17% versus Iona. Manhattan's active defense, which forced seven steals, kept the contest in balance allowing for one last surge. The Jaspers generated a 7-0 run over a three minute span with just under 10 minutes remaining to pull within two points. Bouli began the rally with four consecutive free-throws and Pickett capped it with a layup to cut the deficit to 36-34 with 7:03 left. Bouli sank all seven of his free-throw attempts in the game. Kanacevic answered by scoring the next five points to rebuild a 41-34 advantage at 2:29 to help Hofstra hold on to the finish. The Staten Island native shot 5-for-12 from the field and had three blocks. Teammate Greg Washington added another five blocks to the scoresheet. The Jaspers converted 12-of-56 (21.4%) shot attempts in the game, including 2-for-14 from beyond the arc. Hofstra's shooting percentage wasn't much better as the Pride shot 18-for-52 (34.6%). Manhattan was out-rebounded 51-38. Pickett led the Jaspers with seven boards. Senior guard Darryl Crawford scored six points and grabbed six rebounds. Pearson also added six points and five rebounds.

GAME 10 • MORGAN STATE 83, MANHATTAN 74
DEC. 12, 2009 • HILL FIELD HOUSE, BALTIMORE, MD.

Reggie Holmes scored 28 points on 9-for-16 shooting to lift Morgan State to an 83-74 victory over Manhattan in Baltimore. Five Jaspers scored in double-figures, including a 24 point and seven rebound effort from senior guard Darryl Crawford. Antoine Pearson recorded 12 points and became the 32nd player in program history to join the illustrious 1,000-point club. Manhattan rolled out to a 12-7 advantage courtesy of efficient shooting by Crawford and Laurence Jolicoeur. Crawford got into his scoring mode early knocking down his first three field goals. Jolicoeur set the stage for the Jaspers best free-throw shooting effort of the year with four consecutive buckets from the line. The Jaspers hit 13 straight free-throws and finished the contest 24-for-26 (92.3%) from the charity stripe. Manhattan entered the game shooting just 60.9% from the line. Defensively, the Jaspers opened with a good effort on Holmes, the Mid-Eastern Athletic Conference' top scorer, who was held to just one point over the first 10:30. The 6'4" senior guard entered the contest averaging 24.8 points per game. Morgan State used a 15-2 run to erase Manhattan's initial lead (5) to take a 22-14 advantage on Holmes fast break layup at 6:22. Holmes scored 12 of Morgan State's final 19 points of the first half to help the Bears into intermission with a 33-28 advantage. Crawford and Jolicoeur led the Jaspers at the break with 10 points apiece. Jolicoeur finished with a season-best 15 points going along with five rebounds. He shot 5-for-8 from the field. Morgan State opened the second half with six unanswered points to take a 39-28 advantage (17:14), which forced the Jaspers to battle up hill the rest of the way. Crawford responded scoring Manhattan's first six points of the half to begin a scoring duel with Holmes. The Jaspers gradually chipped away at their deficit and cut it 49-48 with 10:25 to go on Pearson's second 3-pointer of the game. Pearson was held scoreless in the first half, but contributed 12 points in the second stanza. About a minute later Manhattan came up empty on a possession which it could have taken the lead, and Morgan State rallied for a 9-0 run which was book ended by jump shots from junior guard Joe Davis. Davis sank a jumper at 8:17 to rebuild the Bears' double-digit lead (59-49). The Jaspers continued to fight making it a six point game with 4:23 remaining, but Morgan State just received more offense from senior guard Troy Smith who hit back-to-back 3-pointers to put the game out of reach. Smith had 15 points and Davis posted 8 points in reserve roles. Morgan State got a double-double out of Kevin Thompson (13 points, 12 rebounds). Thompson led the Bears' 77.8% (28-36) free-throw effort shooting 7-for-8 from the line. Rico Pickett and Brandon Adams led the Manhattan bench with 10 points apiece.

DEC. 19, 2009 • WELLNESS CENTER, BROOKLYN, N.Y.**

Darryl Crawford, Andrew Gabriel and Rico Pickett led a balanced scoring attack each posting 13 points en route to Manhattan's 71-61 victory at Long Island. Jaspers guard Patrick Bouli added 12 points to the effort as Manhattan snapped the Blackbirds' five game home winning streak, marking their first loss at the Wellness Center. It was a tough night for the Jaspers shooting from 3-point range (5-19), but Manhattan did get key 3s early in the second half to build a comfortable edge. Bouli hit his first 3-pointer of the night 59 seconds into the period to give Manhattan its first double-digit lead (39-27). The Jaspers put it into overdrive using a 13-3 run, which spanned three minutes midway through the stanza to build its largest advantage (18), 54-36. GAME 13 • MARIST 72, MANHATTAN 66
JAN. 2, 2010 • MCCANN CENTER, POUGHKEEPSIE, N.Y.

The Manhattan men's basketball team fell 72-66 to Marist at the McCann Center. Jaspers guard Rico Pickett led all scorers with 26 points on a 9-for-14 shooting effort, to go along with his seven rebounds. Senior Darryl Crawford added 17 points and grabbed six rebounds in Manhattan's final contest of a demanding seven game road series. The Jaspers fell into a rut shooting just 28% (7-25) in the first half, forcing the team to battle uphill the rest of the contest. While Manhattan posted just 21 points in the opening stanza, Marist used 11 points from freshman guard Candon Rusin to take an 11 point advantage into the break. Rusin was perfect from beyond the arc going 3-for-3 in the first 20 minutes, including the go-ahead trey at 15:28 which gave the Red Foxes a lead (5-4) they would not relinquish. Manhattan fought to overcome a deficit which grew as large as 13 points early in the second half. The Jaspers eventually found their shooting touch, and were led by Pickett who scored seven of the team's first nine points of the second half. Crawford also was active in the scoring column posting 15 of his 17 points in the period. The Jaspers improved to 46.7% (14-30) shooting in the second half and pulled within four points three times in the last minute, but could not capitalize on key opportunities to get any closer. Five Red Foxes delivered double-digit scoring efforts, most notably freshman forward Rob Johnson who helped ward off the Jaspers scoring all 10 of his points over 17 minutes of action in the second half. Marist converted 50% (23-46) of its field goal attempts, and went 41.2% (7-17) from 3-point territory. Freshmen Devin Price and Sam Prescott led the Red Foxes with 13 points apiece. Prescott sank three 3-pointers in 19 minutes coming off the bench. Defensively, Manhattan received a good effort from Patrick Bouli who finished with three steals and eight rebounds. In a reserve role, senior guard Antoine Pearson added eight points, four assists and three rebounds in 28 minutes. Classmate Brandon Adams finished with six points, four rebounds and three steals. The Jaspers converted 22-of-30 (73.3%) free-throws and recorded 17 second chance points. Manhattan slightly edged Marist in the rebounding column (34-33), marking only the third time this season the team won the battle of the boards.

GAME 14 • RIDER 65, MANHATTAN 64
JAN. 4, 2010 • DRADDY GYMNASIUM, RIVERDALE, N.Y.

Broncs' forward Mike Ringgold made a tip in that bounced on top of the rim three times before falling with seven seconds remaining to send Rider home with a 65-64 victory over Manhattan (6-8, 1-3 MAAC) at Draddy Gymnasium. Jaspers' guard Rico Pickett led all players with 25 points. Patrick Bouli added 13 points on a 5-for-8 shooting night as Manhattan dropped its third straight contest. Manhattan led by as many as 16 points in the contest and held an advantage for nearly 36 minutes, including 19 minutes in the second half. Pickett got the Jaspers rolling on a 15-3 run to erase an early two point deficit, their only disadvantage of the first half. The junior from Alabama sank five consecutive shots during the run, including three 3-pointers, for 13 points to give Manhattan a 17-7 lead with 12 minutes remaining. Bouli's 3-pointers were also falling in the first half. He shot 2-for-3 from beyond the arc, while Antoine Pearson gave the Jaspers one more just eight seconds before intermission to give Manhattan its largest lead, 34-16. Pearson finished with eight points off the bench. The last second of the first half proved to be a prosperous one for the Broncs as they posted five quick points. It began when senior guard Ryan Thompson sank a pair of free-throws, and then junior guard Justin Robinson took advantage of an inbound blunder and sank a 3-point as time expired. Manhattan shot 54.5% (6-11) from beyond the arc in the first half. The Jaspers limited Rider to just 23 points in the opening period. The Jaspers battled in the second stanza, but ran into trouble holding off Rider which shot 61.5% from the field and went 7-for-10 from 3-point range. Ringgold scored all nine of his points in the second period, and Robinson added nine more to finish with a team-high 17 points. Robinson went 7-for-10 shooting. Rider made its push midway through the second half rallying for a 17-4 run to take a 54-53 lead with 8:45 remaining. The Jaspers fought back responding first with Bouli's lay up, and then a dazzling three point play by Pearson to regain a four point edge (58-54) with seven minutes to go. The contest remained a two possession game the rest of the way. Rider got its break with 29 seconds left on Pearson's miss on a front end of a 1-and-1, which set up Ringgold's clutch bucket. Pearson got one last heave from 3 that fell short as time expired and Rider escaped with the victory. The Jaspers got seven points and nine rebounds from senior forward Brandon Adams. Broncs' forward Novar Gadson recorded a double-double with 14 points and 13 rebounds. Thompson finished with 12 points.

GAME 15 • MANHATTAN 76, SAINT PETER'S 53
JAN. 8, 2010 • DRADDY GYMNASIUM, RIVERDALE, N.Y.

The previous two times the Jaspers met Saint Peter's at Draddy Gymnasium they needed buzzer beaters by Antoine Pearson to squeak past the Peacocks. On Friday in Riverdale the Manhattan men's basketball team did not need such heroics as the Jaspers rolled to a 76-53 triumph. Junior guard Rico Pickett led Jaspers charge for the third straight game finishing with 19 points. Manhattan senior Brandon Adams tied a career-high with 15 points and added eight rebounds. Darryl Crawford posted 15 more points and equaled a career-high with five assists. Manhattan rushed out to a 40-26 advantage by intermission. The Jaspers shot 57.1% (16-28) from the field and rallied for a 15-4 run to break a 5-5 tie as they created double-digit separation (20-9) with 11:40 left before the break. The surge featured two 3-pointers from Pickett to go along with his emphatic alley oop. Pickett scored 10 points in the first half, but it was Crawford who led the Jaspers with 13 points shooting 3-for-4 from beyond the arc in the first 20 minutes. Adams was equally impressive inside scoring seven of his points and grabbing five boards in the period. The Jaspers hot shooting carried over into the second half improving to a 63.6% (14-22) mark. Manhattan's defense was also clicking as it forced eight turnovers, while holding the Peacocks to 34.8% (8-23) from the field and 2-for-9 (22.2%) from 3-point land. The Jaspers led by as many as 29. Manhattan's bench rouse to the occasion as the Jaspers snapped a three game skid. The reserves were led by Pearson who was the fourth Jasper to score in double-figures with 10 points. Freshman George Beamon had a break out night scoring eight points in eight minutes without missing a shot. He was 3-for-3 from the field and 2-for-2 at the free-throw line. The Peacocks entered the game yielding a MAAC best 57.8 points per game. The Jaspers 60% (30-50) shooting effort was the program's best since Nov. 27, 2004 when it shot 62.7% (32-51) in a 76-60 victory at Fordham. Manhattan also finished the night shooting a season best 53.8% (7-13) from downtown.

GAME 16 • FAIRFIELD 88, MANHATTAN 85
JAN. 10, 2010 • ARENA AT HARBOR YARD, BRIDGEPORT, CONN.

Rico Pickett's half court heave ricocheted off the front of the rim at the buzzer as Manhattan was edged by Fairfield 88-85 in Bridgeport, Conn. Pickett led the Jaspers in scoring for the fourth straight game finishing with a career-high 29 points on a 13-for-20 shooting night. Manhattan senior Darryl Crawford had 21 points and junior Laurence Jolicoeur contributed 14 points and nine rebounds. Fairfield was led by Anthony Johnson who had 27 points helping the Stags remain undefeated on their home court. The Jaspers scored 13 unanswered points erasing a 2-0 deficit after Johnson's lay up 54 seconds into the contest and led the remainder of the first half. The Stags fell into a 0-for-6 shooting slump and missed all four free-throws over a four minute span following their initial bucket. The Jaspers gained momentum during this stretch as Pickett and Crawford found their shooting groove. The duo combined for Manhattan's first 17 points. Fairfield battled back into the contest as their shots began to fall. The Stags converted 12-of-19 (63.2%) field goal attempts over the final 14:41 of the first period to pull within 39-37 at the break. Pickett had 15 points and Jolicoeur posted 10 points and seven rebounds as the Jaspers shot an efficient 45.5% (15-33) in the opening 20 minutes. Defensively, the Jaspers were solid in the first stanza as they forced 12 Fairfield turnovers. The Stags turned the ball over 26 times in the contest. Manhattan's senior guard Patrick Bouli contained freshman guard Derek Needham who entered the contest as the Stags leading scorer with 15.8 points per game. Bouli held Needham without a field goal for the first 15 minutes. Needham finished with 11 points, but was just 2-for-11 from the field. Fairfield stormed out of the gate in the second half as it rallied for the first seven points regaining the lead (42-39) on Sean Crawford's 3-point at 19:08. Johnson also came up big for the Stags as he scored 17 second half points and did not miss a field goal (6-6). Johnson shot 10-for-12 from the floor and added eight rebounds in the game. The Stags got very familiar with the free-throw line in the second half as they converted 22-of-25 (88%) attempts. Fairfield shot 78.4% (29-37) at the charity stripe in the contest to Manhattan's 88.5% (23-26) mark. Manhattan's deficit did not grow larger than 10. The Jaspers continued the battle and used an 11-3 run to pull within 77-76 with 2:36 remaining. Then with 1:23 left Pickett tied the contest at 80-80 on a lay up in transition after a defensive stop by Crawford who swiped the ball from Needham. The Jaspers had an opportunity to take the lead after Johnson missed the back end of a pair of free-throws. But with Fairfield leading 81-80 under one to play, Jaspers' junior Andrew Gabriel could not capitalize on two shot attempts under the hoop. Fairfield hit seven of its final eight free-throws to maintain its advantage. Manhattan had a final opportunity to send the game into overtime with just three seconds left. Pickett launched a shot from mid court, hoping to replicate the half court bucket he hit that was waived off at the end of the first half. This time the attempt bounced off the front of the rim. Manhattan shot 46.9% (30-64) in the contest, but only 15.4% (2-13) from beyond the arc. The Stags were 56.5% (26-46) from the field and 63.6% (7-11) downtown. The Jaspers made 17 steals, including four apiece from Bouli and Gabriel. Manhattan scored 36 points off turnovers. Fairfield won the battle of the boards 37-25.

GAME 17 • CANISIUS 63, MANHATTAN 61
JAN. 16, 2010 • DRADDY GYMNASIUM, RIVERDALE, N.Y.

The Manhattan men's basketball team dropped its first overtime contest in two years falling 63-61 to Canisius at Draddy Gymnasium. The Jaspers battled back from a 22 point deficit and led by as many as four points with less than four minutes remaining in regulation, but it was Golden Griffs guard Julius Coles who knocked down a 3 with six seconds left in overtime to seal the victory. Rico Pickett and Darryl Crawford led all players with 16 points apiece as Manhattan's streak of five straight victories over Canisius was snapped. The Jaspers mounted a furious 22-5 run to open the second half taking their first lead of the contest, 45-44, with 9:47 remaining on Crawford's jump shot. Manhattan limited the Golden Griffs to just one field goal over the surge, including a span of eight minutes without a bucket. Crawford scored 12 of his 16 points in the second half and shot 8-for-10 from the free-throw line. Manhattan built its advantage to four points on three occasions, its largest lead of the contest. Jaspers' junior forward Andrew Gabriel gave Manhattan a 56-52 lead with a layup at 3:41. Golden Griffs junior forward Elton Frazier responded about one minute later with a one-handed dunk, and then Tomas Vazquez-Simmons sank two free-throws with 27 second remaining to force OT. Pickett missed an opportunity to end the contest with a jumper that was off the mark as time expired in regulation. The Jaspers held a 61-59 advantage with 1:21 remaining in overtime courtesy of Pickett's jump shot just inside the 3-point arc. But after a free-throw by Frank Turner, the Golden Griffs made a defensive stop to take possession with 22 seconds down by one point. Canisius burnt the clock and with six ticks left point guard Frank Turner kicked the ball out to Coles who sank the decisive 3-pointer right in front of the Canisius bench. Manhattan shot just 33.3% (20-60) in the contest and did not convert a 3-pointer (0-12). It was the first time the Jaspers were held without a 3 since going 0-for-6 from downtown in a victory at Loyola on Feb. 7, 2009. The Golden Griffs were 39.6% (21-53) from the field and 33.3% (6-18) from beyond the arc. Manhattan struggled shooting in the first half as Canisius rolled on a 32-10 game opening run. The Golden Griffs hit eight of their first 12 shot attempts, while Manhattan started 1-for-11. The Golden Griffs held a 39-23 advantage at halftime. Four Golden Griffs scored in double-figures, including Coles team-high 15 points. Vazquez-Simmons finished with a double-double (13 points, 10 rebounds). Manhattan received nine points from Brandon Adams and junior center Laurence Jolicoeur added six points and a career-high 11 rebounds. The teams traded leads eight times and the contest was tied four times. Manhattan forced 15 turnovers and shot 72.4% (21-29) from the free-throw line.

Darryl Crawford contributed 17 points in the Jaspers fourth consecutive loss. Manhattan erased an 11 point second half deficit and used a 15-3 run to go up 50-49 with just under seven minutes remaining. Gaels' forward Alejo Rodriguez sank a free-throw to even the contest at 50-50, but Jaspers' senior forward Brandon Adams responded with a pair of his own free-throws to regain a two point lead with 5:57 remaining. Adams added five rebounds to his stat line. Jermel Jenkins tied the game at 52-52 with a jumper and the Gaels proceed to score four of the final five points to secure the victory. JAN. 28, 2010 • ALUMNI GYMNASIUM, LAWRENCEVILLE, N.J.

Rico Pickett exploded for 32 points, but his last second 3-point heave rattled in and then out as Manhattan was edged 74-71 at Rider. Broncos' guard Justin Robinson scored his team's final five points, including a 3-pointer with 35 seconds remaining to send Rider past Manhattan. Pickett put on a pure scoring performance in the first half erupting for 28 points on 12-for-18 shooting. He was just two points shy of the program's record for points in a half held by Henry Seawright who tallied 30 in a period against Saint Peter's during the 1969-70 season. The junior guard from Alabama got the Jaspers rolling scoring 11 points over a game opening 13-4 run. Pickett even closed the half strong posting the Jaspers' final eight points as he concluded his scoring clinic with back-to-back 3s and a double pump scoop lay up which led Manhattan into the locker room with a 39-30 lead. Manhattan led by as many as 12 points in the first half and the Jaspers maintained their advantage for the final 17:29. The Jaspers shot a sweltering 54.8% (17-31) and Pickett buried all four 3-pointers. Pickett tallied his 30th point just 17 seconds into the second period on a jumper from the corner, which got a friendly bounce. It was the first time a Jasper delivered a 30-point performance since March 1, 2009 when Darryl Crawford finished with a career-high 33 points at Saint Peter's. Rider's defense swarmed Pickett for the rest of the contest limiting him to just two more points, but their focus allowed Crawford to heat up as he scored all 15 of his points in the second half. Broncos' guard Ryan Thompson also got going and over nearly an eight minute span he scored 12 points during an 18-6 run which gave Rider its first advantage since leading by two 76 seconds into the game. Thompson and sophomore forward Novar Gadson converted back-to-back 3-pointers and with 9:49 remaining as the Broncos took a 50-49 lead. The lead traded sides eight more times in the period. Manhattan held a three point edge with 2:29 left after senior guard Antoine Pearson sank a lay up to give the Jaspers a 65-62 lead. Pearson finished with six points in 25 minutes off the bench. After Robinson's first of two 3-pointers in the final two minutes, Pickett made a tip in to put the Jaspers up one, and then freshman guard Mohamed Koita had a two handed dunk off a back door cut to go back up 70-69 with 59 seconds on the clock. Koita scored five points and grabbed three rebounds in a reserve role. Robinson answered back knocking down a trey with the shot clock running down to regain a 72-70 advantage. He sank two more free-throws with nine seconds left for his 16th point and a three point cushion. The Jaspers missed a chance to send the game to overtime as Pickett's contested 3-pointer after a timeout rolled out at the buzzer. Pickett, the MAAC's leading scorer, pulled down three rebounds in 38 minutes. Manhattan received solid production from junior forward Andrew Gabriel who had eight points, 11 rebounds and three blocks. The Jaspers shot 45.6% from the field and converted 14-of-18 free-throws. Thompson led four Broncos in double-figures with 25 points. Rider scored 44 second half points.

GAME 22 • SAINT PETER'S 72, MANHATTAN 44

JAN. 31, 2010 • YANITELLI CENTER, JERSEY CITY, N.J.

The Manhattan men's basketball was topped 72-44 at Saint Peter's in an ESPNU telecast from the Yanitelli Center. Jaspers' junior guard Rico Pickett led Manhattan with 12 points and six rebounds. Saint Peter's used a double-double from junior forward Ryan Bacon (23 points, 13 rebounds) and 19 points and nine rebounds from Wesley Jenkins to split the regular-season series with the Jaspers for the third straight season. Manhattan could not find its groove from the get go as it was held to its lowest scoring output in a period this season. Saint Peter's used a 17-2 run to create separation and carried a 35-17 advantage into the break. Senior guard Darryl Crawford had six points at intermission and Pickett scored five in the period. Crawford posted eight points in the contest over 33 minutes of work. The Peacocks used a solid defensive effort to slow down Manhattan. Saint Peter's entered the game yielding a league best 60.3 points. Manhattan shot only 30.5% from the field in the contest to Saint Peter's 44.8% mark. The Peacocks also tallied nine steals and six blocks. Saint Peter's dominated the 'Battle of the Boards' outrebounding Manhattan 55-29. Manhattan had trouble stopping the Peacocks' big men who tallied 44 of their 72 points in the paint. Saint Peter's prospered on 24 second chance points. Freshman guard George Beamon was a bright spot bringing the Jaspers energy off the bench in the second half. Beamon scored six points and made a career-high four steals in 11 minutes of action. GAME 23 • MANHATTAN 72, MARIST 47
FEB. 5, 2010 • DRADDY GYMNASIUM, RIVERDALE, N.Y.

Darryl Crawford scored 20 points and grabbed four rebounds as the Jaspers rolled to a 72-47 rout of Marist in an ESPN U televised contest from Draddy Gymnasium. Manhattan's balanced scoring attack also featured 13 point efforts from Rico Pickett and George Beamon. It marked the Jaspers' ninth straight win over Marist at Draddy Gymnasium, a dominant stretch which began in 2002. The Jaspers opened the game with a 17-6 run in a wire-to-wire victory. Crawford scored 11 points in the first half as he carried Manhattan into the break with a 29-22 advantage. It was the start of another solid performance that the New York City native had against the Red Foxes as he entered the game averaging 16.3 points in his first three meetings with Marist at Draddy Gymnasium. Manhattan's defense was stingy in the opening stanza as the Jaspers limited Marist to just eight points over the first 14:51. Over this stretch Marist shot just 4-for-21 (19%) and turned the ball over four times. Jaspers' sophomore center Djibril Coulibaly was very active in the first half scoring four points, grabbing four rebounds and blocking two shots in 11 minutes off the bench. His effort featured a two handed put back dunk, which bounced out of camera view above the rim, and then tickled the twine. Coulibaly set a career-high with four blocks. Manhattan turned up its offense in the second half and shot 66.7% (16-24). Junior center Laurence Jolicoeur, freshman swingman Mohamed Koita and Beamon combined for 21 of the Jaspers' 43 second half points. Beamon sank 4-of-6 field goal attempts and buried all five of his free-throws. Koita matched a career-high and led the game with eight boards helping the Jaspers win the rebounding battle 40-27. Pickett was an efficient 6-for-10 from the field and added four rebounds to his stat line in 27 minutes off the bench. Freshman center Kevin Laue and sophomore walk-on Liam McCabe-Moran each scored a bucket contributing to the Manhattan reserves' effort which outscored Marist 36-6. Senior point guard Patrick Bouli distributed six of the Jaspers' 11 assists, which marked a season high. Bouli pulled down four boards over a team-high 31 minutes. Manhattan scored 40 of its points in the paint and prospered from 15 points off 11 Marist turnovers. The Jaspers led by as many as 27 points and shot 49.2% (29-59) in the ball game.

GAME 24 • LOYOLA 62, MANHATTAN 56
FEB. 7, 2010 • DRADDY GYMNASIUM, RIVERDALE, N.Y.

The Manhattan men's basketball team came up short on Super Bowl Sunday as the Jaspers dropped a 62-56 decision to Loyola at Draddy Gymnasium. Darryl Crawford and Rico Pickett led Manhattan with 19 points apiece. The Greyhounds' balanced scoring attack, which went nine players deep, was led by Shane Walker who posted his second straight double-double (12 points, 10 rebounds). Manhattan erased a two point halftime deficit and rallied out to a five point lead (41-36) with 12:25 in the second half on Mohamed Koita's 3-pointer from the wing. The product of Cergy, France contributed a career-high nine points, while adding five rebounds and two steals to his stat line. Loyola did not let the Jaspers' advantage grow any larger, and with 5:39 remaining Greyhounds' junior guard Jamal Barney converted a 3-point play to earn a 48-46 advantage, a lead they would not relinquish. Barney, the MAAC's scoring champion in 2008-09 (18.1 ppg), finished with seven points in 11 minutes off the bench. The Greyhounds outscored Manhattan 14-9 over the final five minutes. Crawford sank a pair of free-throws at 1:32 to pull within 54-52, but the Jaspers could not come up with a defensive stop the next time down court to get any closer. Loyola freshman guard Robert Olson sank a jumper helping Greyhounds kept it a two possession ball game the rest of the way. The see-saw battle featured nine ties and six lead changes. Both teams shot 35% from the field. Loyola capitalized on 19 points off 14 Manhattan turnovers. Manhattan won the rebounding battle for the second straight contest (40-38), which was anchored by a game-high 10 boards from Crawford. Senior guard Patrick Bouli added seven rebounds to the effort. Crawford recorded his second career double-double. He also led Manhattan with three steals, three blocks and two assists in 37 minutes. Pickett shot an efficient 7-for-15 (46.6%) from the field. The junior guard from Alabama led the Jaspers into the break with 15 points, before Loyola clamped down on him in the second half.

GAME 25 • MANHATTAN 66, IONA 60
FEB. 12, 2010 • HYNES ATHLETIC CENTER, NEW ROCHELLE, N.Y.

Rico Pickett scored eight of the Jaspers final 12 points in the last three minutes to help secure a 66-60 victory over Iona in New Rochelle. Pickett finished with a game-high 24 points and senior guard Darryl Crawford added 14 as Manhattan snapped the Gaels' seven game win streak at the Hynes Athletic Center. Manhattan was clicking on all cylinders in the first half as the Jaspers shot 60% (15-25) from the field, while their pesky defense limited Iona to just 21 points on 28% (7-25) shooting. Pickett led three Jaspers in double-figures by the break with 12 points. Freshman swingman Mohamed Koita scored a career-high 10 points on 4-for-5 shooting, while Crawford matched his first half performance. Pickett initiated the scoring surge which became contagious after he recorded nine straight points on four consecutive jumpers over a two minute span. The junior from Alabama capped the rush with his first 3-pointer of the ball game at 15:36 to give Manhattan a 12-5 advantage. Koita got going soon after with a one-handed tomahawk jam off a steal at midcourt, and then at 12:53 he gave Manhattan a double-digit lead (21-11) burying his second trey. Koita and Pickett combined for 17 of the first 21 points. Crawford carried the Jaspers' scoring torch for the final 11 minutes of the first half posting seven points over the span. Senior guard Antoine Pearson closed out Manhattan's highest scoring first half of the season with a 3-point play nine seconds before the break to send the Jaspers into the locker room with a 40-21 advantage. The 19 point halftime deficit was Iona's largest of the season. Manhattan got off to a sluggish start in the second stanza allowing Iona to roll out 11 unanswered points. Gaels' forward Keon Williams posted the first three buckets, and then a 3-pointer by freshman Ben Mockford and a layup by sophomore point guard Scott Machado cut the deficit to 40-32 with 14:10 left. Pickett responded sparking a 7-0 run with a pair of jumpers to build the lead back to 13, which proved to be enough of a cushion. The MAAC's scoring leader shot 8-for-17 and 6-for-9 from the free-throw line in his 16th time leading the Jaspers in scoring this season. The resilient Gaels' poured in seven 3-pointers in the second half sparking a last full fledged charge down the stretch. With 22 seconds remaining, freshman Kyle Smyth knocked down his third 3-pointer of the half and fourth of the game to cut it to 62-59. Manhattan settled the comeback bid with a pair of free-throws from Laurence Jolicoeur and two more from Nick Walsh to seal the victory. Brandon Adams led the Jaspers bench with six points, six rebounds and three assists. Pearson added five points and three steals. Crawford finished 5-for-7 from the field anchoring Manhattan's hot shooting effort (50%, 21-42). The Jaspers were 58.3% (7-12) from downtown.

GAME 26 • FAIRFIELD 74, MANHATTAN 56
FEB. 15, 2010 • DRADDY GYMNASIUM, RIVERDALE, N.Y.

The Manhattan men's basketball team dropped a 74-56 decision to Fairfield at Draddy Gymnasium. Jaspers' junior guard Rico Pickett led Manhattan in scoring for the 17th time this season posting a game-high 18 points. The Stags' received 15 bench points from senior forward Mike Evanovich and a career-high 13 points from freshman Colin Nickerson. Pickett got rolling early picking up where he left off in the teams' first meeting on Jan. 10 at the Arena at Harbor Yard where he exploded for 29 on points on a hot 13-for-20 shooting effort. The MAAC's leading scorer (17.8 ppg) buried two 3-pointers in the first two minutes of action to get the Jaspers out of the gate with a 6-4 lead. Fairfield retaliated with a 23-2 run, including 16 unanswered points to take a 27-8 advantage with 8:45 left in the first half. The Stags' surge also featured a stifling defensive effort which prevented the Jaspers from scoring for over a six minute span. The scoring blitz stunned Manhattan and it was not able to recover. The Stags led by as many as 24 points in the period. Fairfield held a 43-25 advantage at intermission and led by double-figures the entire second half. Fairfield shot 50.9% from the field and 44.4% from 3-point territory to Manhattan's 33.3% shooting mark and 26.7% 3-point conversion rate. Manhattan played an even second half with the Stags, but could not erase any of its halftime deficit. The Jaspers pulled within 53-40 on a jumper from Brandon Adams with 10:55 left and did not get any closer. Adams finished with eight points and six rebounds. Crawford contributed eight points, nine boards and three steals in 38 minutes. Evanovich and Nickerson combined for 28 of the Stag's 39 points off the bench, while starters Anthony Johnson (14 points, 11 rebounds) and MAAC Rookie of the Week Derek Needham (12 points, five assists) also contributed double-figure scoring efforts. Freshman guard George Beamon and junior Nick Walsh were bright spots for the Jaspers in reserve roles. Beamon scored nine points adding a career-high seven rebounds. Walsh posted six points in 11 minutes of action. Manhattan outrebounded the Stags 35-33.

FEB. 28, 2010 • REITZ ARENA, BALTIMORE, MD.**

Jamal Barney scored 22 of his game-high 24 points in the second half helping Loyola notch a 71-59 victory over the Manhattan men's basketball team on Sunday in the final game of the MAAC regular-season. Jaspers' guard Darryl Crawford led Manhattan with his third double-double of the season (21 points, 11 rebounds). Manhattan used an 8-0 run to take a 9-6 advantage with 15:23 left in the first half after back-to-back buckets by Andrew Gabriel and Rico Pickett. The Greyhounds responded with an 8-1 run capped by Barney's only field goal of the first half to regain a 14-10 lead and Loyola would not trail again. Crawford found his touch late in the opening stanza scoring 12 of his 15 first half points in the final 5:09. The scoring surge also represented 12 of the Jaspers' final 16 points of the first half to carry the team into the break down 35-32. Manhattan fell behind by nine points early in the second half after Greyhounds' freshman forward Julius Brooks hit a lay up with 13:23 to go ahead 47-38. The Jaspers battled back outscoring Loyola 16-8 over the next six minutes to cut the deficit to 55-54. After a defensive stop, Manhattan missed on three shot opportunities, a lay up by Gabriel, a lay up by Nick Walsh and a jump shot by Crawford, which would have given the Jaspers the lead. Dodging the bullet, Loyola scored 12 unanswered points with nine coming from Barney, including a 3-pointer at 2:09 to cap the surging at 67-54. Barney anchored the Greyhounds bench which produced 37 points. He was 9-for-18 from the field with nine rebounds. Gabriel was the only other Jasper to post double-figures as he finished with 13 points and seven rebounds. Senior forward Brandon Adams added seven points and six rebounds. Manhattan freshman George Beamon scored six points on 3-for-4 shooting off the bench. The Jaspers struggled with a lackluster 3-point shooting performance going 2-for-14 (14.3%) from downtown. Manhattan was outrebounded 49-37 as Loyola's Shane Walker grabbed a game-high 14 boards.

MARCH 5, 2010 • TIMES UNION CENTER, ALBANY, N.Y.
MAAC Tournament Opening Round**

The third meeting with Loyola was the charm for the Manhattan men's basketball team. After dropping its two regular-season contests to the Greyhounds, Manhattan saved its best effort for the MAAC Tournament First Round as the Jaspers rallied to a 94-79 victory at the Times Union Center in Albany. Junior guard Rico Pickett led the Jaspers' charge with a career-high 33 points and senior guard Darryl Crawford (16 points, 10 rebounds) delivered his third double-double against the Greyhounds this season. Manhattan exploded for its highest scoring half of the year behind 23 of Pickett's points in the first half to carry a 51-36 lead into the break. The Alabama native shot 8-for-12 in the period and delivered a 360 degree two-handed jam midway through the stanza which received a roar from the crowd. The Jaspers got rolling after surrendering the first bucket 12 seconds into the game and scored 14 unanswered points. Pickett started to warm up when he scored on three consecutive trips down court, which was capped by his second of three 3-pointers in the period helping Manhattan to a 17-4 advantage. The Jaspers held its largest lead of the game in the first half going up 19 points with 5:26 left. Manhattan converted 22-of-24 (90.9%) free-throws in the first half, including a perfect 5-for-5 from Crawford who scored 11 points in the period. Manhattan got comfortable at the free-throw line sinking 38-of-46 (82.6%) of its free-throws in the game, an effort anchored by Pickett who shot 10-for-11 from the charity stripe. The Jaspers were four free-throw shy of the program record of 42 set in 1958-59 against Army. Loyola opened the second half with an 11-4 run to battle back into the contest, and eventually cut its deficit to five points twice. The Greyhounds pulled within 69-64 with 8:10 remaining, but Jaspers' senior guard Patrick Bouli responded with a big 3-pointer. Soon after, freshman guard George Beamon scored five straight points, including a 3-point play to put the Jaspers back up by double-figures (77-66). Beamon led the Manhattan bench with 13 points and seven rebounds. Senior guard Antoine Pearson added eight points and four assists over 22 minutes. Bouli dished out a game-high six assists in 37 minutes. Pickett put the Jaspers up by double-figures for good with 4:40 remaining. The MAAC's leading scorer's determination to finish a lay-up mid-air, despite being slammed to the ground from a flagrant foul by Brett Harvey. Pickett converted the pair of free-throws for what proved to be a four point play to put Manhattan out front 84-73. Jaspers' senior forward Brandon Adams was the fourth Manhattan player to post double-figures as he finished with 14 points along with five rebounds. It was the third time in the last four games Adams posted double-figures and the sixth time this season. Loyola was led by sophomore forward Shane Walker who posted 26 points on 9-for-11 shooting and eight rebounds. Greyhounds' junior guard Jamal Barney, who scorched Manhattan for 24 points in their previous meeting last Sunday, added 13 points and seven rebounds off the bench. The Jaspers 94 points were their most scored in a game during the season. Manhattan shot 44.8% (26-58) from the field to the Greyhounds' 50% (26-52) shooting mark. The Jaspers also converted 17 Loyola turnovers into 28 points.

MAAC Tournament Quarterfinals

The Manhattan men's basketball team could not hold on to its four point halftime advantage as the Jaspers fell 78-61 to top-seeded Siena in the MAAC Tournament Quarterfinals at the Times Union Center in Albany. Rico Pickett led Manhattan in scoring for the 19th time this season with 18 points. Senior guard Darryl Crawford posted 12 points and a team-high nine rebounds. Crawford ends his four year career in Riverdale eighth on both the program's career scoring list (1,431) and steals list (140). Manhattan got rolling early behind Crawford's lead. The New York City native scored the first seven points of the game as the Jaspers jumped out to a 16-4 advantage just over seven minutes into the contest. Pickett capped the surge burying a fade away jumper from the corner in front of the Siena bench at 12:53. Manhattan's defense also slowed down the Saints who entered the contest averaging a league best 75.6 points per contest and 46.3% field goal mark. Siena was held to just one field goal over the opening seven and a half minutes. The Jaspers shot a hot 54.8% (17-31) in the first half as they carried a 40-36 advantage into the break. Siena converted only 34.2% (13-38) of its field goals in the first stanza, but utilized 17 points from 2010 MAAC Player of the Year Alex Franklin to hang with the Jaspers. Pickett and Crawford each tallied 10 points in the first 20 minutes. Franklin finished with a game-high 23 points on 7-for-10 shooting. The Jaspers hot shooting started to cool down in the second half. After trading the lead twice, Franklin sank a lay up to go up 50-49 and ignite a scoring surge. The spark began a 19-4 run over the next nine minutes as the Saints held off the potential upset for their 36th straight victory at the Times Union Center. Jaspers' senior Patrick Bouli contributed nine points on 3-for-5 shooting from downtown, along with four rebounds. Classmates Brandon Adams recorded five rebounds and Antoine Pearson added seven points and two assists off the bench. The Saints capitalized on 26 second chance points and outrebounded Manhattan 48-32. Sophomore Owen Wignot led the Siena bench with 11 points on 4-for-5 shooting with three 3-pointers.

MANHATTAN COLLEGE

THIS IS

THE MISSION OF MANHATTAN COLLEGE

Manhattan College, overlooking Van Cortlandt Park in Riverdale, is an independent Catholic institution of higher learning which embraces qualified men and women of all faiths, races and ethnic backgrounds. Established in 1853, the College is founded upon the Lasallian tradition of excellence in teaching, respect for individual dignity, and commitment to social justice inspired by the innovator of modern pedagogy, John Baptist de La Salle.

The mission of Manhattan College is to provide a contemporary, person-centered educational experience characterized by high academic standards, reflection on faith, values and ethics, and life-long career preparation. This is achieved in two ways: by offering students programs which integrate a broad liberal education with concentration in specific disciplines in the arts and sciences or with professional preparation in business, education and engineering; and by nurturing a caring, pluralistic campus community. The learning experience at Manhattan College is enriched by cooperative programs with other institutions, by postgraduate professional programs and by capitalizing on its location on the edge of the cultural center and global marketplace that is New York City.

HISTORICAL NOTE

In May 1853, five Christian Brothers moved their small Canal Street school to what was then known as Manhattanville, a section of New York City at 131st Street and Broadway. The Brothers brought with them more than their furniture and their students. They were the bearers of a long educational tradition, going back to 17th century France and their founder, John Baptist De La Salle, designated by the Catholic Church as the Patron Saint of Teachers. He formed a community of religious Brothers who, unlike priests, would devote themselves as teachers to work for the wellbeing of the children of the artisans and the underprivileged. In the process he created a new type of school system that would transform teaching school into a profession and a vocation. The Brothers were urged to go beyond rote memory to "touch the hearts" of the students. Practical subjects were taught that would lead to a useful role in society; religion was taught to impart a commitment to Christian ethics.

Between 1853 and 1863, the school changed rapidly, adding college-level courses in 1859 and first using the name Manhattan College in 1861. It was chartered by the Board of Regents on April 2, 1863 and the first catalog stated its goals — to afford young people the means of acquiring the highest grade of education attained in the best American universities or colleges. While classical languages were thoroughly studied, prominence was given to higher mathematics and natural sciences, thus combining the advantages of a first-class College and Polytechnic Institute. Manhattan College was an unusual institution. Its sponsoring Board of Trustees combined both secular independent members and representatives of the Brothers of the Christian Schools. It also combined excellence in the traditional liberal arts and sciences and excellence in professional and technical education in a single collegiate institution. As the school grew, new quarters were needed.

MANHATTAN COLLEGE

The cornerstone of the "New Manhattan" was laid in 1922 on property bordered by the Hudson River and Van Cortlandt Park, its present location. The addition of new buildings and student residences has enlarged and enhanced the campus significantly. From this accessible site, the college is able to offer access to the cultural, educational, business and entertainment opportunities of New York City as well as a self-contained suburban campus environment.

Today Manhattan College identifies itself as a Catholic College in the Lasallian tradition. That tradition has continued to characterize the special educational experience offered by the College over its long history. Its constant focus has been the education of the disadvantaged. Manhattan has an enviable record in this regard, albeit engaged in the field of higher education. From its beginning, the College has paid particular attention to educating first-generation college students, and was an early proponent of access to disadvantaged and minority students, establishing special scholarship funds as early as 1938. That still holds true today for the impressive percentage of the student body that come from ethnic minorities. So many of our graduates who later on achieved great things in their careers remember that they might have had to leave school were it not for Manhattan's financial assistance. The College continues to realize the objectives stated in its first catalog by maintaining a full range of programs in the liberal arts and sciences joined with professional programs in engineering, business, science and education. The quality of the undergraduate programs has been demonstrated by its record as one of the nation's leading undergraduate sources of doctorates in the arts, sciences, engineering and education, and it is recognized by the establishment of chapters of such prestigious honor societies as Phi Beta Kappa, Sigma Xi, and Tau Beta Pi. Manhattan participates in the Consortium of Liberal Arts Colleges, an organization of the nation's leading research colleges, and in the New York Cluster of seven colleges and universities supported by the Pew Charitable Trusts for undergraduate science education (Barnard, Colgate, Cornell, Hamilton, Manhattan, St. Lawrence and Union).

Over the years, an evolution has taken place in faculty representation. The predominantly Christian Brothers faculty has been replaced by predominantly lay teachers, and includes both men and women. The College became coeducational and accepted its first women undergraduate students in 1973. Prior to that date, Manhattan had established a Cooperative Program with the neighboring College of Mount Saint Vincent, which permitted cross-registration and the merging of academic departments. Currently, women number 46% of the full-time undergraduate student body.

With the opening of Horan Hall (formerly East Hill) in 1990, the College is able to maintain an even balance between residential and commuting students, and foresees an even greater percentage of residential students over the next years. Currently, the College has a student body of approximately 3,000; 2,600 undergraduates and 400 graduate students. The student-faculty ratio is thirteen to one.

GOING TO SCHOOL

IN NEW YORK CITY

Often referred to as “the capital of the world”, this is New York City, home to more than eight million people which includes people from more than 180 countries. Spread out over 309 square miles, the city is comprised of five boroughs: Manhattan, Staten Island, Queens, Brooklyn, and the Bronx.

The largest city in the United States is the center for world trade and finance and is an international hub for entertainment, advertising, publishing, fashion as well as education.

It is home to more Fortune 500 companies than any other place in the United States as well as Wall Street. New York City welcomes a visit from anyone and always offers an exciting experience. You'll have easy access by subway, bus, or taxi to all of the city's resources, and you'll make use of this one-of-a-kind environment. People are attracted to the city for its culture, energy, and cosmopolitanism. It is a vibrant, fast-paced place to work, study and play.

One who is interested in sight seeing can stroll through more than 800 acres of Central Park, or take in a larger view of the city from atop the Empire State Building. Or ride the subway over and take in the neon display of lights in Times Square. Come winter time, you can stop over at Rockefeller Center for some ice skating and a visit to the enormous holiday tree. Maybe a visit to the United Nations, home to the international community, might be in order.

New York City is also an area where many television, movies and music projects are produced. Walk around and you might find bump into some of today's popular celebrities.

Grab the ferry over to Liberty Island where the Statue of Liberty still stands and where many immigrants were first welcomed to America from Europe during the late 19th and 20th century. Later on in the day you can catch a comedy act or a musical performance at the many clubs throughout the city. And don't forget to check out Broadway where there are 38 theatres and more than 150 off-Broadway theatres that offer an abundance of performances that you'll enjoy.

New York City is the place to be for any sports fan. There are the Magic and the New York Red Bulls to quench the thirst of a soccer fan. The Jets and Giants can satisfy any football fan's appetite. The New York Knicks and Rangers both play at Madison Square Garden. A trip to Queens will get you in to check out the Mets. Here in the Bronx you will quickly find the headquarters of the New York Yankees, a Major League Baseball team with the most World Series Championships in baseball.

Count on it, though – that touristy feeling will gradually drop away and you'll soon come to think of New York City as home turf. Your options are inexhaustible.

DR. BRENNAN O'DONNELL

PRESIDENT

Dr. Brennan O'Donnell is the 19th president of Manhattan College, having assumed the responsibilities of the position July 1, 2009.

Dr. O'Donnell comes to Manhattan from Fordham College at Rose Hill, Fordham University's oldest and largest school. As dean of Fordham College, he was the chief academic officer of a College of Arts and Sciences enrolling about 3,200 students under a faculty of more than 200.

Before coming to New York, Dr. O'Donnell spent 17 years at Loyola College in Maryland (now Loyola University Maryland), where he served as a professor of English and, from 1999-2004, as director of the university-wide Honors Program. An active scholar, his teaching and research interests focus mainly upon poetry, especially of the British Romantic period, and on religion and literature, particularly contemporary American Catholic writers. He has authored two books on the poetry of William Wordsworth and co-edited *The Work of Andre Dubus*, a collection of essays published as a double issue of *Religion and the Arts*. In addition, Dr. O'Donnell has published articles, essays and reviews in some of the leading journals in his field. At Manhattan, he will continue to hold a faculty appointment, as he had at Fordham and Loyola, as professor of English.

As the first president of the College not to be a member of the Brothers of the Christian Schools, Dr. O'Donnell is treading new ground at Manhattan College. He has experience in such transitions, however, as he was also the first layperson to serve as dean of Fordham College at Rose Hill. His publications and

lectures demonstrate a keen engagement in issues of faith and education, specifically Catholic higher education. From 1994-2000, he served as editor of the national magazine *Conversations on Jesuit Higher Education*, and he was a member of the National Seminar on Jesuit Higher Education from 1993-2000. In addition, he has served as a board member for the Lilly Fellows Program and for Collegium, a consortium of Catholic universities that strives to strengthen faculty understanding of and participation in the mission of Catholic higher education.

A native of Pennsylvania's Wyoming Valley, Dr. O'Donnell earned his B.A. with highest distinction and Honors in English at The Pennsylvania State University in 1981, where he was inducted into Phi Beta Kappa. He earned an M.A. and a Ph.D. at the University of North Carolina at Chapel Hill in English and American Literature and Language. He is the recipient of numerous fellowships, grants, awards and honors.

Dr. O'Donnell is married to Angela O'Donnell (formerly Alaimo), a poet and writer who teaches at Fordham, where she serves as associate director of the Francis and Ann Curran Center for American Catholic Studies. The couple has three sons: Charles (a graduate of Saint John's University, Minnesota, and a teacher in the St. Paul, Minnesota, public schools), Patrick (a 2009 graduate of Columbia University, currently pursuing graduate studies in philosophy in Leuven, Belgium), and Will (a senior English major at Fordham).

ROBERT J. BYRNES '68

DIRECTOR OF ATHLETICS

A 1968 graduate of Manhattan College, Byrnes enters his 23rd year as director of athletics.

Since his arrival back to Riverdale in May of 1988, Byrnes has presided over a renaissance period in Manhattan College athletics. During his tenure, the men's and women's basketball programs have earned eight NCAA Tournament bids (four women, four men). Additionally, the Jaspers have appeared in five postseason and preseason National Invitational Tournaments (NIT). Women's soccer and men's and women's lacrosse began competition at the Division I level under Byrnes, and 14 different teams have won conference championships—men's and women's cross country, men's and women's indoor track, men's and women's outdoor track, men's and women's basketball, men's and women's lacrosse, volleyball, men's tennis, softball and baseball. In addition, to date, 26 student-athletes have received All-America honors for both athletic and academic achievements.

Before returning to Manhattan, Byrnes spent 13 years with the Morrison-Knudsen Company, one of the largest engineering and construction firms in the nation.

A native of Garrison, New York, Byrnes earned his undergraduate degree in physical education with a minor in biology. He also holds an M.B.A. from City University in Seattle, Washington.

As an undergraduate, Byrnes was a member of the Jaspers' club football team. Byrnes served as team captain and played both defensive tackle and

offensive end. He spent one season as an assistant coach and helped guide Manhattan to a 6-2 overall record in 1969.

Upon graduation, Byrnes began a teaching and coaching career at Queen of Peace High School in North Arlington, New Jersey. He also served as the school's director of athletics from 1970-73. Under his leadership, Queen of Peace registered state tournament appearances in baseball and basketball, while also capturing the Parochial "B" State Championship in football (1972).

In addition to his responsibilities at Manhattan, Byrnes served two stints (1997-99, 2004-06) as president of the Metropolitan Intercollegiate Basketball Association, at one time the sponsoring body of the NIT. He also served on the NCAA Championship Committee in 1999-2000. He is currently the chair of the Metro Atlantic Athletic Conference (MAAC) Men's Basketball Committee and the Committee on Athletic Administration, as well as a member of the ECAC Officials Negotiating Committee. In recognition of his years of outstanding contributions to Jasper athletics, Byrnes was inducted into the Manhattan College Athletic Hall of Fame in 2004.

Byrnes resides in Croton-on-Hudson, New York, along with his wife, Rosemary. He is the father of five children: Bob, Carolyn (Manhattan '97), Brian (Manhattan '99), Darren and Brigid.

SPORTS MEDICINE

The John "Doc" Johnson
Athletic Training Center

Named in appreciation for
Mr. Johnson's 56 years
of unselfish and caring service
to thousands of Manhattan College
student-athletes,
coaches and Christian Brothers

Dedicated September 27, 2003

Sports medicine is an integral part of every collegiate athletics program. Manhattan College employs three certified athletic trainers who work tirelessly to assist student-athletes. While Manhattan's athletic trainers are essential in the treatment of injuries, even greater value comes from their ability to prevent injuries and ensure that Jasper student-athletes are competing in a safe and healthy environment. In addition to preventing and treating injuries, athletic trainers provide injury rehabilitation, nutritional supervision, strength and conditioning, drug and alcohol education, and general personal health advisement.

Manhattan's sports medicine staff is aided by a wide range of equipment for the prevention of injuries and the rehabilitation and conditioning of student-athletes.

The sports medicine staff is supported by a network of highly qualified medical and counseling professionals practicing in the New York Metropolitan area.

The Manhattan College Sports Medicine Department features four taping stations, four treatment tables, three combo/ultrasound stim units, two stationary bikes, two whirlpools, one Jobst Extremity Pump, one upper cycle UBE, one hydrocollator unit, one ice machine, one weighted pulley station, one rebounder, one variable percussor, one cold channel laser, and various sized medicine balls.

& THE JOHN "DOC" JOHNSON ATHLETIC TRAINING CENTER

The John "Doc" Johnson Athletic Training Center was dedicated after the 2002-03 academic year to one of the most recognizable personalities in the history of the College, upon his retirement after over 56 years of dedicated service to Manhattan College.

A long-time trainer of the New York Giants of the National Football League in addition to his duties in Riverdale, Johnson was conferred with the Diploma of Benefactor by the Brothers of the Christian Schools in 1983 and was elected to the Manhattan College Hall of Fame in 1982. In 1990, "Doc" was given the Distinguished Service Award by the Manhattan College physical education department. In 1997, he was given a Lifetime Achievement Award by the Metro Atlantic Athletic Conference, and in 1998, the American College of Sports Medicine gave him a similar award. The National Invitational Tournament/Metropolitan Basketball Writers Association honored him in 2000 with its Distinguished Service Award.

DOUG STRALEY

Doug Straley was promoted to Assistant Athletic Director for Sports Medicine in August 2009, after serving as Manhattan's Director of Sports Medicine for the previous six years. Straley supervises the athletic training of the 300+ student-athletes who compete for Manhattan's 19 Division I athletic teams.

Prior to his arrival in Riverdale, Straley served as the director of sports medicine at Manhattanville College in nearby Purchase, NY. At Manhattanville, he coordinated the rehabilitation, prevention, and management of athletic injuries for over 250 intercollegiate NCAA Division III student-athletes.

Before his tenure at Manhattanville, Straley worked for three years as the assistant director of sports medicine at Assumption College. He assisted with the medical care of the athletic program's 19 Division II varsity sport teams.

Straley, a 1998 graduate of Northeastern University, worked as a student athletic trainer during his undergraduate years. In 1999, he received a master of science degree in athletic training from University of Tennessee at

Chattanooga.

Additionally, Straley served as the head athletic trainer for the Westchester Wildfire, a United States Basketball League (USBL) team coached by former New York Knick John Starks.

Straley had been published on numerous occasions, and has made several presentations based upon his research in the field of Athletic Training.

Straley holds Athletic Training licenses in New York, Massachusetts, and Georgia, and is a member of the National Athletic Trainers Association and the National Strength and Conditioning Association. He is certified as a Strength and Conditioning Specialist, as an Athletic Trainer, and in CPR and First Aid. A decorated Eagle Scout, Straley won the Koko Kassabian award while at Northeastern for outstanding achievement in leadership, scholarship, and professional development.

A native of Newton, Mass., Straley currently resides in Dobbs Ferry, NY with his wife Jennifer and their daughter Annabelle.

LINDSAY DARCY

Lindsay Darcy enters her first year as academic advisor for the Manhattan College Athletic Department. Darcy manages the academic support for Manhattan's 300+ student-athletes, a role which has helped the department rank among the nation's best according to several NCAA measures of academic success. Darcy's duties include assisting student-athletes in class scheduling, monitor their academic progress, oversee the Student-Athlete Advisory Committee (SAAC) and coordinate tutoring and other special needs.

Prior to this appointment, Darcy worked as Manhattan's compliance coordinator since the 2007-2008 academic year. In this role, she was responsible for monitoring and regulating NCAA eligibility.

Darcy (nee Peirson) earned a bachelor's degree from Syracuse University in 2005. She was a four-year letterwinner for the Orange field hockey team, and earned a Big East Scholar-Athlete selection all four years. In 2001, she earned All-America honors from the National Field Hockey Coaches' Association (NFHCA). At the conclusion of her final season with the Orange, Darcy was selected to the All-Big East Second Team.

METRO ATLANTIC ATHLETIC CONFERENCE

METRO ATLANTIC ATHLETIC CONFERENCE

With 10 institutions strongly bound by the sound principles of quality and integrity in academics and excellence in athletics, the Metro Atlantic Athletic Conference is in its 30th year of competition during the 2010-2011 academic year.

The MAAC was founded in 1980 by six charter members: the U.S. Military Academy, Fairfield University, Fordham University, Iona College, Manhattan College and Saint Peter's College. Competition followed one year later in the fall of 1981 with members competing in the sports of men's cross country and men's soccer. On January 2, 1982, Army traveled to Iona for the first MAAC men's basketball game and the MAAC story had begun.

Today, Conference members include: Canisius College, Fairfield University, Iona College, Loyola University Maryland, Manhattan College, Marist College, Niagara University, Rider University, Saint Peter's College, and Siena College. In addition, associate members include the University of Detroit Mercy, Jacksonville University and Virginia Military Institute in men's lacrosse. St. Francis (N.Y.) College, Villanova University and Wagner College are all associate members of the MAAC Women's Water Polo League. Drake University, Robert Morris University and Sacred Heart University compete in women's rowing, while the University at Albany, Boston University and the University of Hartford began competition in women's golf in the spring of 2010. The MAAC will support 24 sports and championships during the 2010-2011 academic year.

The MAAC Basketball Championships return to the Arena at Harbor Yard in Bridgeport, Conn. for 2011, with Springfield's MassMutual Center preparing to host the 2012-2014 championships. By having an excellent working relationship with various facilities, the MAAC has been able to attract a number of NCAA Championship events. Most recently, the MAAC, Canisius College and Niagara University successfully hosted the 2010 NCAA Division I Men's Basketball Championship First and Second Rounds at the HSBC Arena in Buffalo, New York. All three parties hosted the event in 2004 and 2007. The MAAC and Rider University co-hosted the 2009 NCAA Division I Women's Basketball Championship Regional at the Sovereign Bank Arena in Trenton, N.J., after recording the third highest attendance figure for the women's championship with the First and Second Rounds in 2006. The MAAC and Rider will work together to co-host the 2011 NCAA Division I Wrestling Championships at the Wells Fargo Center in Philadelphia, Pa.

MAAC ASSOCIATE SPORTS

In June of 1995, the MAAC continued to develop opportunities for student-athletes as the conference announced the formation of the MAAC Men's and Women's Lacrosse Leagues. The men's league began competition in the spring of 1996, while the women's league commenced in the spring of 1997. The men's league consists of four MAAC schools -- Canisius, Manhattan, Marist, and Siena -- and three associate members -- Detroit Mercy, Jacksonville and Virginia Military Institute. The women's league consists of MAAC institutions Canisius, Fairfield, Iona, Manhattan, Marist, Niagara and Siena.

In 2002, the MAAC added the MAAC Women's Water Polo League. The league is made up of three MAAC schools -- Iona, Marist and Siena -- as well as three associate members, St. Francis (N.Y.), Villanova and Wagner.

Sacred Heart started participating in MAAC Women's Rowing in the

spring of 2008. Drake University joined the league for the 2010 MAAC Championship, while Robert Morris will begin competition in the spring of 2011.

In the summer of 2009, the MAAC added three associate members -- Albany, Boston University and Hartford -- to women's golf, with the programs starting competition against MAAC members Fairfield, Niagara and Siena in 2009-2010.

ACADEMICS AND ATHLETICS

The MAAC prides itself on the accomplishments of its student-athletes in the classroom, as well as on the field. Mary Beth Riley, a 1991 graduate of Canisius, was the first recipient of the NCAA Woman of the Year Award. In the fall of 1998, Erin Whalen, a member of the Iona women's rowing team, was awarded one of the nation's 32 Rhodes Scholarships for academic achievement

and civic leadership. Jose Vargas, a Loyola student, was also awarded a Rhodes Scholarship in 1999.

First-class facilities are the rule with MAAC schools, as teams regularly play in top-notch arenas, such as Madison Square Garden, the IZOD Center, HSBC Arena, Times Union Center, the Arena at Harbor Yard and the Sun National Bank Center. The other MAAC championships boast their share of outstanding locales as well, such as the Reverend Harold Ridley, S.J., Athletic Complex at Loyola, where both the men's and women's soccer championships will be contested in the fall of 2010, and Waterfront Park in Trenton, home of the 2011 MAAC Baseball Championship. This year, the MAAC will take its volleyball championship to Orlando, Florida, where it will conduct its post-season event at the ESPN Wide World of Sports Complex. The MAAC Men's and Women's Golf Championships will be held at Disney's Magnolia Golf Course.

In the past several years, a number of the MAAC schools have also enjoyed success in NCAA Championships. MAAC schools have made a total of 75 NIT appearances and 45 NCAA appearances. In addition, Fairfield represented the league last season in the CollegeInsider.com Postseason Tournament while the Fairfield women participated in the Women's Basketball Invitational. The MAAC currently possesses 13 automatic bids to NCAA Championships in men's and women's basketball, baseball, softball, men's and women's soccer, volleyball, men's golf, men's and women's tennis, men's and women's lacrosse, and women's water polo. In 2007, the Marist women's basketball team advanced to the Sweet 16 before falling to the eventual National Champion, the University of Tennessee. Last fall, the No. 11 Iona men's cross country team finished tied for eighth place at the NCAA Championship race, extended the Gaels' streak to eight straight Top 10 national finishes. Canisius softball, Manhattan track, Manhattan and Marist baseball and Loyola soccer and lacrosse have also flourished on the national stage.

The MAAC has also been a leader in the forefront of technology, expanding the notoriety of the league into cyberspace. In 2007, the league reached an agreement with JumpTV, Inc. to sponsor the MAAC web page. Launched in November 1999, www.maacsports.com has been a great success, providing fans with up-to-date contest results, multimedia content and an online merchandise store.

The MAAC President for the 2010-2011 academic year is Rev. Jeffrey von Arx, S.J., the President of Fairfield University. The Vice-President is Dr. Eugene J. Cornacchia, Ph.D., the President of Saint Peter's College. Ed McLaughlin, Director of Athletics at Niagara University, will chair the Committee on Athletic Administration, and Karin Torchia, Associate Athletic Director/Senior Woman Administrator at Rider University will serve as Vice Chair.

2010-11 opponents are in CAPS and bolded.

Kenneth Norton coached Manhattan from 1946-68 and is the program's winningest coach.

BASKETBALL TEAM 1930-31

Just seven years after moving to Riverdale, the Manhattan College Men's Basketball team captured the imaginations of the campus and local community. Before the season began, The Quadrangle predicted a tough season for the Jaspers because of their challenging game schedule. The Jaspers won the first game of the year under Manhattan Athletic Hall of Fame head coach Neil Cohalan, beating St. Francis of Brooklyn with a score of 27-13. Manhattan began winning game after game, knocking off opponents like Catholic University, Georgetown, Georgia Tech,

Niagara, Villanova, CCNY, Bucknell, RPI, Albany State University, Union, Baltimore University, and Temple. The Jaspers also took out rival Fordham University and NYU, twice. Before the Jaspers knew it that had notched 16 victories for an undefeated start like no other in Manhattan College basketball history before or since. The only thing stopping their perfect season was St. John's of Brooklyn and the strong team did just that, beating the Manhattan squad 30-16. Even with that defeat The New York Times selected Manhattan College as the #1 college basketball team in New York City.

BRENTON BIRMINGHAM '95

Brenton Birmingham '95 was a key member of the Jaspers' basketball renaissance in 1990's. The 6'5" Brooklyn product scored 805 points at Manhattan where he played his final two collegiate seasons and helped lead the Jaspers to back-to-back postseason appearances.

Birmingham, who scored 1,497 points in his Division I career, transferred to Manhattan after playing his first two years at Brooklyn College. Birmingham made an immediate impact for new head coach Fran Fraschilla's squad helping guide the Jaspers to the 1993 MAAC championship and advanced to the program's first NCAA Tournament in 35 years to face Virginia. As part of the memorable 1992-1993 campaign, Birmingham

helped the Jaspers post its only undefeated season at Draddy Gymnasium with an unblemished 11-0 record.

As a senior, Birmingham earned All MAAC Second Team honors as the Jaspers co-captain helped lead Manhattan to the 1994 National Invitational Tournament where he scored a team-high 27 points versus Old Dominion. A true student-athlete, Birmingham was named both First Team All Metropolitan and First Team Academic All America District I in 1994.

Birmingham ranks second all-time on the program's career 3-point percentage list (40%). His 45.5% 3-point shooting mark in 1992-93 is third on the Jaspers' single season list. Birmingham also set a Jaspers' record with 57 3-pointers in a single season in 1993-94.

BROTHER THOMAS SCANLAN, PRESIDENT

Brother Thomas Scanlan brought Manhattan College Athletics to a new level during his tenure, creating a program that was balanced for both men and women with scholarships available for all 19 Division I athletic teams on campus. Brother Scanlan was instrumental in bringing three new programs to campus—women's soccer, men's lacrosse and women's lacrosse. With 72 MAAC Post-Season Championships and 18 MAAC Regular-Season Championships notched on his belt, Brother Scanlan ensured academics were not compromised while enhancing the athletic program. Hundreds of All-Academic MAAC athletes attest to the integrity of an athletic program that proved excellent students could also excel on the court and field.

During his tenure, the men's basketball team reached the NCAA Tournament for the first time in decades and reached the Round of 32 twice with victories over Oklahoma in 1995 and Florida in 2004. In 1995, it became the only MAAC basketball program in league's history to have received an at-large bid to the NCAA Tournament.

Facilities were also enhanced under Brother Scanlan's leadership, including the addition of a state-of-the-art multipurpose turf facility at Gaelic Park. Gaelic Park now serves as the home to Manhattan soccer, lacrosse and softball, as well as the college's intramural programs. In any given year, different sports brought solid victories and extraordinary press and recognition to the Riverdale campus. Track began a new Renaissance under Brother Scanlan with several national championships and new Olympians. Brother Scanlan presided over two MAAC Commissioner's Cups for the success of the entire Division I program in 2002-03 and 2003-04.

Off campus, Brother Scanlan served as a member of the NCAA Division I AA/AAA Presidential Advisory Group and head of the MAAC President's Commission and Marketing Committee. He helped initiate the MAAC Men's and Women's Basketball Championships played at the same venue with all member schools invited. Brother Scanlan worked to expand the MAAC Television and multimedia efforts

JOHN LEONARD '82—With a rare combination of adaptability, determination and raw talent, John Leonard '82 was a leader on the basketball court, first as a player and later as a coach.

The 6'1" guard was recruited from Niskayuna (N.Y.) High School and offered a scholarship. While playing for the Jaspers, Leonard had to overcome the challenge of having three coaches in four years. Even with the constant change, he was able to put up some of the strongest stats in the College's history. He still ranks third in career free throw percentage (83 percent) and holds the record of 32 consecutive shots from the line. Ranking ninth in points—1,329, Leonard shot just under 90 percent for free throws in 1980-1981. He was a four-year letterman, two-time team Most Valuable Player and team captain in 1981-1982. He was named to the All Metropolitan Team in his junior and senior years and was a member of the Metro Atlantic All Conference Team (MAAC). He was a tenth-round NBA draft pick for the New York Knicks, one of only 20 Manhattan College players drafted by the NBA.

Leonard dedicated 20 years to coaching basketball on the college level. After a season of playing with the Albany Patroons in the Continental Basketball Association, Leonard served as assistant coach at Lehman College, followed by a position as head coach at SUNY Maritime. Leonard returned to Manhattan as an assistant coach under Steve Lappas and helped the team to return to the NCAA Tournament for the first time in 35 years. He left Manhattan for Villanova, then returned to his alma mater as head coach for three seasons. From 2001 to 2003, he went to the University of Massachusetts to serve as assistant coach.

MARTY LUDWIKOWSKI '80—Long distance runner Marty Ludwikowski was recruited by Fred Dwyer. A tough competitor from Cherry Hill High School West, Ludwikowski competed indoor, outdoor and cross country. In 1977, near the beginning of his Jasper track career, he took second place at the IC4A's Indoor 5000 meters.

An NCAA All American in Cross Country in 1979, Ludwikowski was also named the Metropolitan Track's Collegiate Cross Country Runner of the Year. A very competitive year for the honor, Ludwikowski paved the way with a 10th place finish at the National AAU Cross Country Championships, a third place finish in the IC4A Championships, and second place finishes in the NCAA District II Championships and the Metropolitan Intercollegiate Championships. He was also a member of the All East First Team. Ludwikowski wrapped up his track victories in 1980 with another second place finish in the IC4A's Outdoor 10,000 meters. Both of these IC4A second place finishes came behind future Olympians.

Ludwikowski was also instrumental in several Jasper relay victories, including the 4 x 1600m Rutgers Relay. He ran the leadoff leg in 4:10.8, breaking a Villanova record with a final team time of 16:43.3.

ALIANN POMPEY '99 — Track star Aliann Pompey '99 has an inner drive to achieve that has propelled her onto the international stage. While at Manhattan, she broke records and heightened aspirations. A native of Guyana, Aliann was the first Jasper female to win an NCAA title, she set a school record for the 400m indoor with a time of 52.21 in 2000 and qualified for the NCAA six times.

Aliann holds seven Manhattan records. Her 500m race indoors with a time of 1:09.38 is also an ECAC and NCAA Collegiate record. She and her relay team took the 4x400m Indoor Relay in 3:41.01. Outdoors, Aliann is tops for the 200m (23.59), the 400m (52.51), the 4x200m Relay (1:38.25) and the 4x400 Relay (3:39.64). She holds eight Individual Metropolitan Titles in the 200m and 400m and still holds the MAAC 400m Indoor and Outdoor records, as well as the Metropolitan Conference 400m Indoor and Outdoor records. Aliann was named All-East in the 200m and 400m six times, and she was selected as one of the top 25 MAAC all-time performers in 2006.

With three Olympics under her belt (2000, 2004, 2008), Aliann has excelled on the international circuit. In the summer of 2009, she competed at the World Championships in Berlin, placing 11th in the 400m. She has competed in seven World Championships, took a Bronze Medal for the 400m at the Pan Am Games in 2003, and set five records for Guyana for both the 200m and 400m, indoors and outdoors.

MICHAEL T. QUIGLEY '72 —Michael T. Quigley '72 has been sharing his love of the national pastime for decades. A right-handed second baseman, Quigley swung a wicked bat. Quigley batted .405 in the Met Conference and .387 overall in 1971 and .388 in the Met Conference and .363 overall in 1972, averages garnering All Metropolitan Conference all-star selections. As a senior, Quigley was named team captain, voted the Manhattan College Baseball MVP and was named to the Outstanding College Athletes of America Hall of Fame.

After graduation, he served as volunteer assistant to Coach Dave Curran for the 1973 and 1974 campaigns, became the head coach of the Mount Vernon Generals of the Atlantic Collegiate Baseball League for the next two seasons, and was head baseball coach of Queens College during 1977. During his career as a teacher, assistant principal, principal, and eventually regional administrator in the New York Department of Education, Quigley continued to coach. His retirement, in 2004, gave him the chance to serve as Assistant Baseball Commissioner for the New York City Public School Athletic League and as consultant for the New York City Department of Education.

GERRY RYAN '90 — A model of patience and power, Gerry Ryan '90 was recruited from Ireland to add his quiet strength and perseverance in hammer throw and weight throw to the Jasper green.

A three-time Irish National Champion, he still ranks sixth on the all time Hammer List at Manhattan. Ryan earned NCAA All American status with a fourth place finish in 1990. He hurled the hammer for a personal best of 211 feet 8 inches.

Ryan qualified for the NCAAAs twice and was a four-time Metropolitan Champion, twice for the hammer and twice for the weight. He also was named All East six times. Throughout his career he continued to post personal bests, always striving to beat his last toss. In February of 1989, Ryan competed in the Penn State Last Chance Invitational winning the 35 lb. weight throw with a throw of 57 feet and 1 inches. In 1990, he and five other Jasper field competitors contributed to Manhattan's victory in the Metropolitan Intercollegiate Indoor Track and Field Championship. Ryan's 35 lb. weight sailed for 59 feet and 5 inches.

After graduation with a finance and economics degree, Ryan continued at Manhattan for his MBA. He coached track and field at Manhattan while in grad school.

GERARD J. SMITH '79 —In the late 1970s, Manhattan College was known for several sports, but rarely, if ever, would the words tennis and Jaspers make headlines together. Then along came Gerard J. Smith, a transfer student from Jacksonville University, and everything changed.

The number one player from Garden City High School, Smith was named the Jasper's Most Valuable Player in 1978 and 1979. Having lost only two matches his junior year, he improved on that record and went undefeated as a senior. The team also went undefeated in conference play that year and won the Suburban West Conference. Known for his serve and volley, Smith had one of his most competitive matches against Fordham's undefeated Billy Crawford. It came down to sudden death in the third set and Smith beat him in the final point. He then went on to beat Crawford again a half hour later in doubles with teammate Tommy Gambino.

He continued to compete while working, becoming a finalist at the New York State Doubles Championship at age 30 with partner John Schmidt. Smith competed in the satellite Pro Tour in Poland and was nationally ranked for ten years in platform tennis. He was also ranked in the Top 25 for three consecutive years in the Men's Open Eastern Tennis Association.

BRENTON BIRMINGHAM '95 —Brenton Birmingham '95 was a key member of the Jaspers' basketball renaissance in 1990's. The 6'5" Brooklyn product scored 805 points at Manhattan where he played his final two collegiate seasons and helped lead the Jaspers to back-to-back postseason appearances. Birmingham, who scored 1,497 points in his Division I career, transferred to Manhattan after playing his first two years at Brooklyn College. Birmingham made an immediate impact for new head coach Fran Fraschilla's squad helping guide the Jaspers to the 1993 MAAC championship and advanced to the program's first NCAA Tournament in 35 years to face Virginia.

Birmingham earned All MAAC Second Team honors as a senior. The Jaspers co-captain helped lead Manhattan to the 1994 National Invitational Tournament. A true student-athlete, Birmingham was named both First Team All Metropolitan and First Team Academic All America District I in 1994.

ROGER FRED A '67 — Roger Freda '67 was a star for the Manhattan College football team which was reinstated in 1965 after a 23 year hiatus due to World War II. A prominent wide receiver, Freda scored his first career touchdown contributing to a Jasper victory over NYU and he had two touchdowns in a contest against Seton Hall in 1965. Freda recorded a school record 10 touchdowns in 1966 after posting receptions in all of the Jaspers games. A career highlight was in a victory over Fordham where he received the Most Valuable Player Award in a 38-26 triumph.

JOSEPH A. HAYES '36 (POSTHUMOUSLY) — Joseph A. Hayes '36 was a four year swimmer at Manhattan College, joining the program one year after its inaugural season. By Hayes junior year the swim team became an official varsity program. The Bronx native served as the team's captain his senior year. Dubbed "The Iron Man" for swimming and scoring in many races at each competition, he dominated the 220-yard and 440-yard freestyle races throughout college. Hayes was undefeated as a freshman and he set the school record for 50-yard freestyle as a junior. Hayes took second his senior season in the backstroke behind a fellow Jasper who set a school record. Hayes also served as anchor on many Jasper relay squads.

GEORGE W. KIEFER '36 (POSTHUMOUSLY) — George W. Kiefer '36 played baseball at Manhattan College under coach Burt Daniels. A Metropolitan All Star shortstop, Kiefer was known for his ability with the bat and glove. Nicknamed "Red," for his red locks, George was named to the All New York College Baseball team. In a game against rival Seton Hall, George slammed two homers as part of his three hits of the day to give the Jaspers an 11-2 victory. With offers from the Yankees, Giants and Elmira, George continued to play baseball for two seasons with the Boston Red Sox organization after graduating with honors.

JAMES MCHUGH, COACH — James McHugh served as track and field coach at Manhattan College from 1962-1969. McHugh was the successor to legendary Jaspers head coach George Eastment. During McHugh's tenure, Manhattan won nine Metropolitan Intercollegiate titles, recording two in cross country, four in indoor track & field and three in outdoor track & field. McHugh mentored 11 future Manhattan Athletic Hall of Fame inductees. By the end of his coaching career, 17 of 26 Manhattan College track & field team records were shattered.

STEVEN QUAGLIANO '78 — Steven Quagliano '78 served as both a student-athlete and student coach on the Manhattan College rowing team over his four years in Riverdale. As a competitor and coach, Quagliano won four Metropolitan Intercollegiate Rowing Association titles and had three second place finishes. At the Dad Vails, the largest intercollegiate regatta in the United States, Quagliano had two fifth place finishes in the finals over a three year span. In his final season as a student coach, his crew was a third place finalist in the Men's Freshman lightweight 8, which was the best finish for a Manhattan 8 at this regatta since World War II. As a competitor and coach, he represented the United States seven times at the international level. Quagliano served as the United States Olympic coach for the Men's Double in 1988 Seoul, Korea games.

BROTHER THOMAS SCANLAN, PRESIDENT — Brother Thomas Scanlan brought Manhattan College Athletics to a new level during his tenure, creating a program that was balanced for both men and women with scholarships available for all 19 Division I athletic teams on campus. Brother Scanlan was instrumental in bringing three new programs to campus—women's soccer, men's lacrosse and women's lacrosse. With 72 MAAC Post-Season Championships and 18 MAAC Regular-Season Championships notched on his belt, Brother Scanlan ensured academics were not compromised while enhancing the athletic program. Hundreds of All-Academic MAAC athletes attest to the integrity of an athletic program that proved excellent students could also excel on the court and field.

During his tenure, the men's basketball team reached the NCAA Tournament for the first time in decades and reached the Round of 32 twice with victories over Oklahoma in 1995 and Florida in 2004. In 1995, it became the only MAAC basketball program in league's history to have received an at-large bid to the NCAA Tournament.

Facilities were also enhanced under Brother Scanlan's leadership, including the addition of a state-of-the-art multipurpose turf facility at Gaelic Park. Gaelic Park now serves as the home to Manhattan soccer, lacrosse and softball, as well as the college's intramural programs.

SOPHIA TASKER STERLING '97 — Sophia Tasker Sterling '97 was one of the most accomplished sprinters in Manhattan College track & field history. Tasker Sterling graduated with five school records in the 55m dash and 60m dash for indoors, along with outdoor records 4x100m relay, 4x200m relay and the sprint medley. Tasker Sterling was named ECAC All-East five times, which ranks among the highest totals of a Manhattan College athlete. The Evanston, Ill. Native notched three Metropolitan victories during her career and recorded a MAAC Championship record of 7.09 in the 55m.

1930-31 BASKETBALL TEAM — Under Manhattan Athletic Hall of Fame head coach Neil Cohalan, the Jaspers began winning game after game, knocking off opponents like Catholic University, Georgetown, Georgia Tech, Niagara, Villanova, CCNY, Bucknell, RPI, Albany State University, Union, Baltimore University, St. Francis of Brooklyn and Temple. The Jaspers also took out rival Fordham University and NYU, twice. Before the Jaspers knew it that had notched 16 victories for an undefeated start like no other in Manhattan College basketball history before or since. The only thing stopping their perfect season was St. John's of Brooklyn and the strong team did just that, beating the Manhattan squad 30-16. Even with that defeat The New York Times selected Manhattan College as the #1 college basketball team in New York City.

1965-68 FOOTBALL TEAM —These years of football saw Jasper powerhouses Sean O'Keefe '69, who made the Washington Redskins and Roger Freda '67, who played with the farm systems of the New York Giants and Philadelphia Eagles, playing in the Kelly Green. Team Captain and Hall of Fame member, Bob Byrnes '68, currently the athletic director at Manhattan College, contributed a great deal to the victories on the gridiron.

Some of the most memorable games came against top rivals. Manhattan beat Fordham in 1966 with a score of 38-26, after not even matching up with them since 1926. Quarterback Shannon matched his interceptions with awesome throws to Freda to connect for three touchdowns. That game gave the Jaspers the "club national championship."

Jaspers to fete Kellogg

Junius Kellogg, who reported attempts to bribe him while playing for Manhattan College in 1951, will be honored on the 45th anniversary of his 1953 graduation on Nov. 13 at the Riverdale school.

Kellogg, 70, playing center for Manhattan in 1951 was approached by two former players, representing gamblers, who asked him to throw a game against DePaul University.

Kellogg notified coach Ken Norton and together they informed the police, who told them to go along with the bettor's scheme.

Kellogg did so before leading the Jaspers to victory. The police arrested the gambler. A dinner called "A Night to Remember" will be held at Manhattan College's Smith Auditorium. For tickets or further information, call (718) 862-7432.

WHAT IS A JASPER?

The unique nickname of Manhattan College's athletic teams, the Jaspers, comes from one of the College's most memorable figures, Brother Jasper of Mary, F.S.C., who served at the College in the late 19th century.

One of the greatest achievements of Brother Jasper was that he brought the then little-known sport of baseball to Manhattan College and became the team's first coach. Since Brother was also the Prefect of Discipline, he supervised the student fans at Manhattan College baseball games while also directing the team itself.

During one particularly warm and humid day when Manhattan College was playing a semi-pro baseball team called the Metropolitans, Brother Jasper noticed the Manhattan students were becoming restless and edgy as Manhattan came to bat in the seventh inning of a close game. To relieve the tension, Brother Jasper called time-out and told the students to stand up and stretch for a few minutes until the game resumed.

Since the College annually played the New York Giants in the late 1880's and into the 1890's at the old Polo Grounds, the Manhattan College practice of the "seventh inning stretch" spread into the major leagues, where it has now become a time-honored custom practiced by millions of fans annually.
